

RefWorks

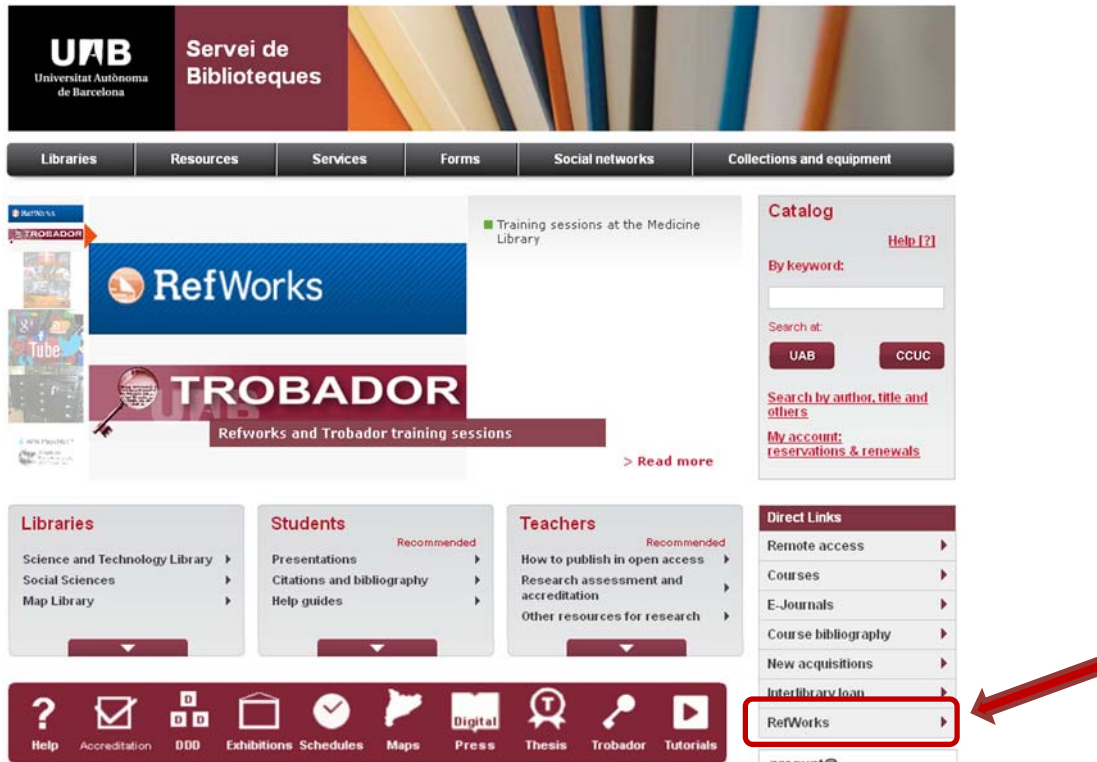

1. Introduction

1.1. What is RefWorks?

It is an online bibliographic **reference manager** which allows to create reference **databases** and import, organize and manage these references. It also allows to create **bibliographies**, insert bibliographic **citations** in your papers, and export and **share** reference collections.

1.2. Access to RefWorks

The screenshot shows the UAB library website. At the top, there is a header with the UAB logo and 'Servei de Biblioteques'. Below this is a navigation bar with categories: Libraries, Resources, Services, Forms, Social networks, and Collections and equipment. The main content area features a large banner for 'RefWorks' and 'TROBADOR' with a 'Read more' link. To the right is a search bar with 'By keyword:' and 'Search at:' options for 'UAB' and 'CCUC'. Below the search bar are sections for 'Libraries', 'Students', and 'Teachers', each with a list of recommended resources. At the bottom right, a 'Direct Links' menu is visible, with 'RefWorks' highlighted by a red box and a red arrow pointing to it. Other links in the menu include 'Remote access', 'Courses', 'E-Journals', 'Course bibliography', 'New acquisitions', and 'Interlibrary loan'.

1. Introduction

1.4. Menu bar

The screenshot displays the RefWorks web interface. At the top, the RefWorks logo and the text "Universitat Autònoma de Barcelona" and "Welcome, DBarr." are visible. Below this is a navigation bar with the following menu items: **References**, View, Search, Bibliography, Tools, and Help. A red box highlights this menu bar, and a red arrow points to it from the left. To the right of the menu bar is a search box labeled "Search your RefWorks database" with a "Search" button. Below the menu bar are several buttons: "New Folder", "Create Bibliography", and "New Reference". A link for "Additional Information" is also present. The main content area shows "References > All References" and a status message: "You have 0 reference(s) not in folders. Duplicates not in folders." There are links for "View Shared Area", "Statistics", and "Default Settings". Below this are three sections: "Share Entire Database (0)", "Not In Folder (0)", and "Last Imported (0)". On the right side, there is a sidebar with sections: "Resources" (Support Center, Webinars, social media icons), "Folders" (My List, Not In Folder (0), Last Imported (0)), and "Quick Access" (Advanced Search, Import, Export, Create Bibliography, Delete References, Print References, Output Style Manager, Customize).

2. Managing folders

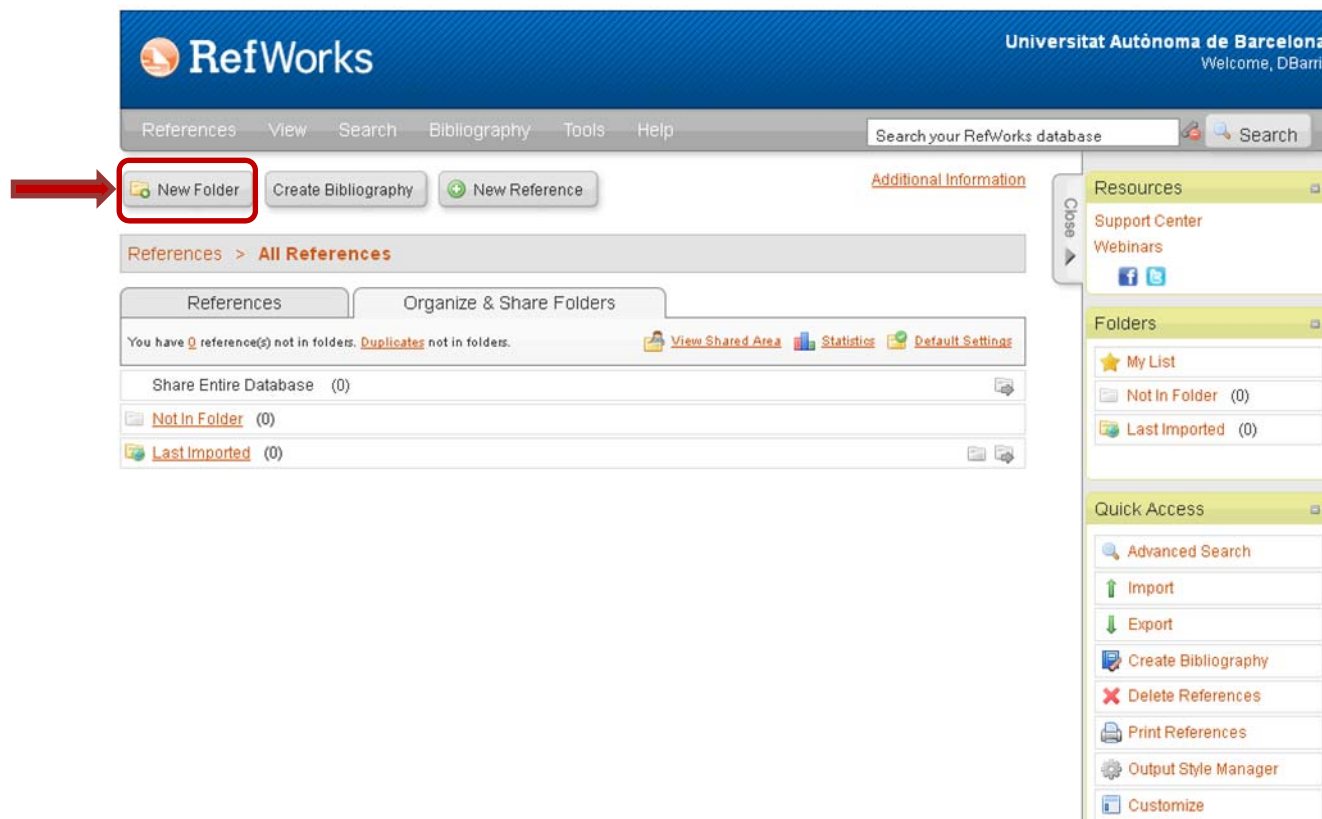

2.1. Default folders

The screenshot displays the RefWorks web interface for the Universitat Autònoma de Barcelona. The main navigation bar includes 'References', 'View', 'Search', 'Bibliography', 'Tools', and 'Help'. Below this, there are buttons for 'New Folder', 'Create Bibliography', and 'New Reference'. The central area shows 'References > All References' with a sub-tab for 'Organize & Share Folders'. A message states 'You have 0 reference(s) not in folders. Duplicates not in folders.' Below this, there are links for 'View Shared Area', 'Statistics', and 'Default Settings'. The right sidebar contains several sections: 'Resources' (Support Center, Webinars), 'Folders' (My List, Not In Folder (0), Last Imported (0)), and 'Quick Access' (Advanced Search, Import, Export, Create Bibliography, Delete References, Print References, Output Style Manager, Customize). A red box highlights the 'My List', 'Not In Folder', and 'Last Imported' folders in the 'Folders' section, with a red arrow pointing to them.

2. Managing folders

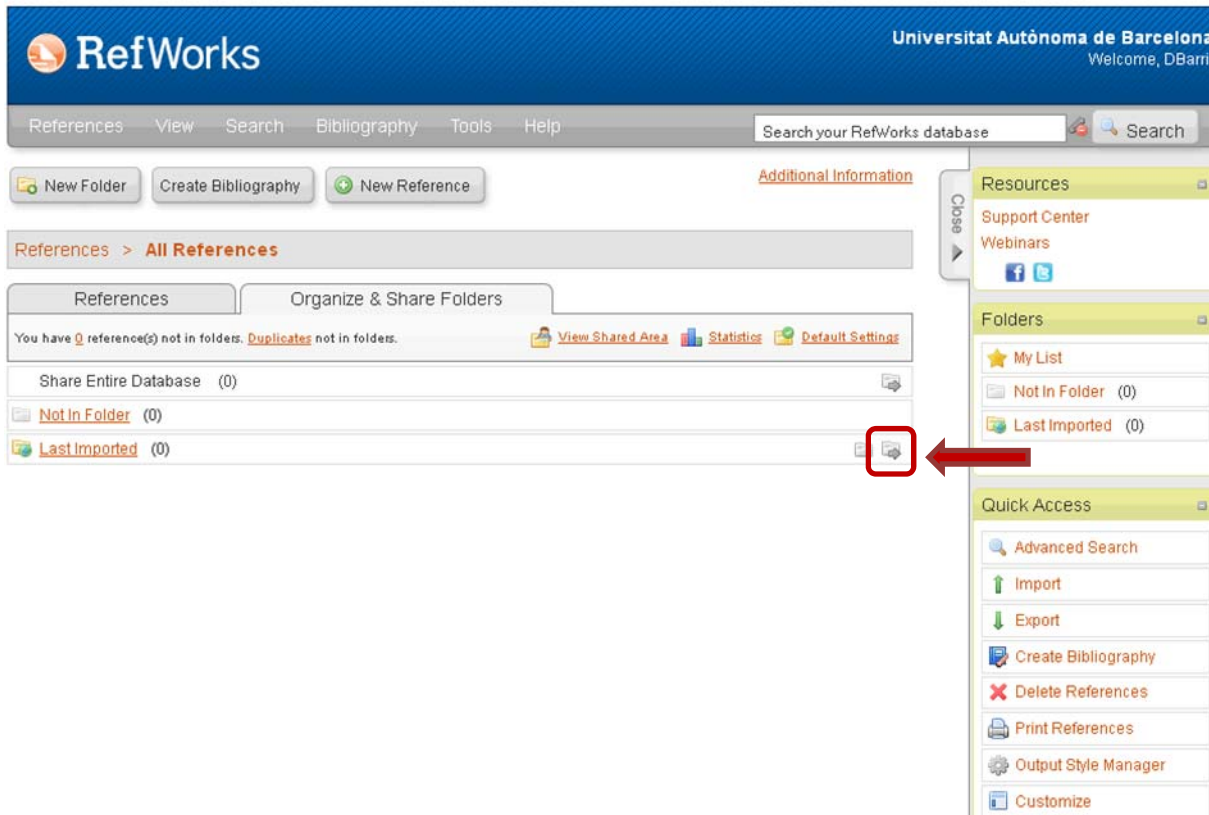

2.2. Creating folders

The screenshot displays the RefWorks web interface. At the top, the RefWorks logo and the text "Universitat Autònoma de Barcelona" and "Welcome, DBarr." are visible. Below the header, there is a navigation menu with "References", "View", "Search", "Bibliography", "Tools", and "Help". A search bar is present with the text "Search your RefWorks database" and a "Search" button. In the main content area, a red arrow points to the "New Folder" button, which is highlighted with a red box. Other buttons include "Create Bibliography" and "New Reference". Below these buttons, there is a section for "References > All References" with a sub-tab "Organize & Share Folders". This section contains a message: "You have 0 reference(s) not in folders. Duplicates not in folders." and links for "View Shared Area", "Statistics", and "Default Settings". Below this, there are three rows of folder information: "Share Entire Database (0)", "Not In Folder (0)", and "Last Imported (0)". On the right side, there is a sidebar with a "Close" button and three sections: "Resources" (with links to "Support Center" and "Webinars" and social media icons), "Folders" (with "My List", "Not In Folder (0)", and "Last Imported (0)"), and "Quick Access" (with links to "Advanced Search", "Import", "Export", "Create Bibliography", "Delete References", "Print References", "Output Style Manager", and "Customize").

2. Managing folders

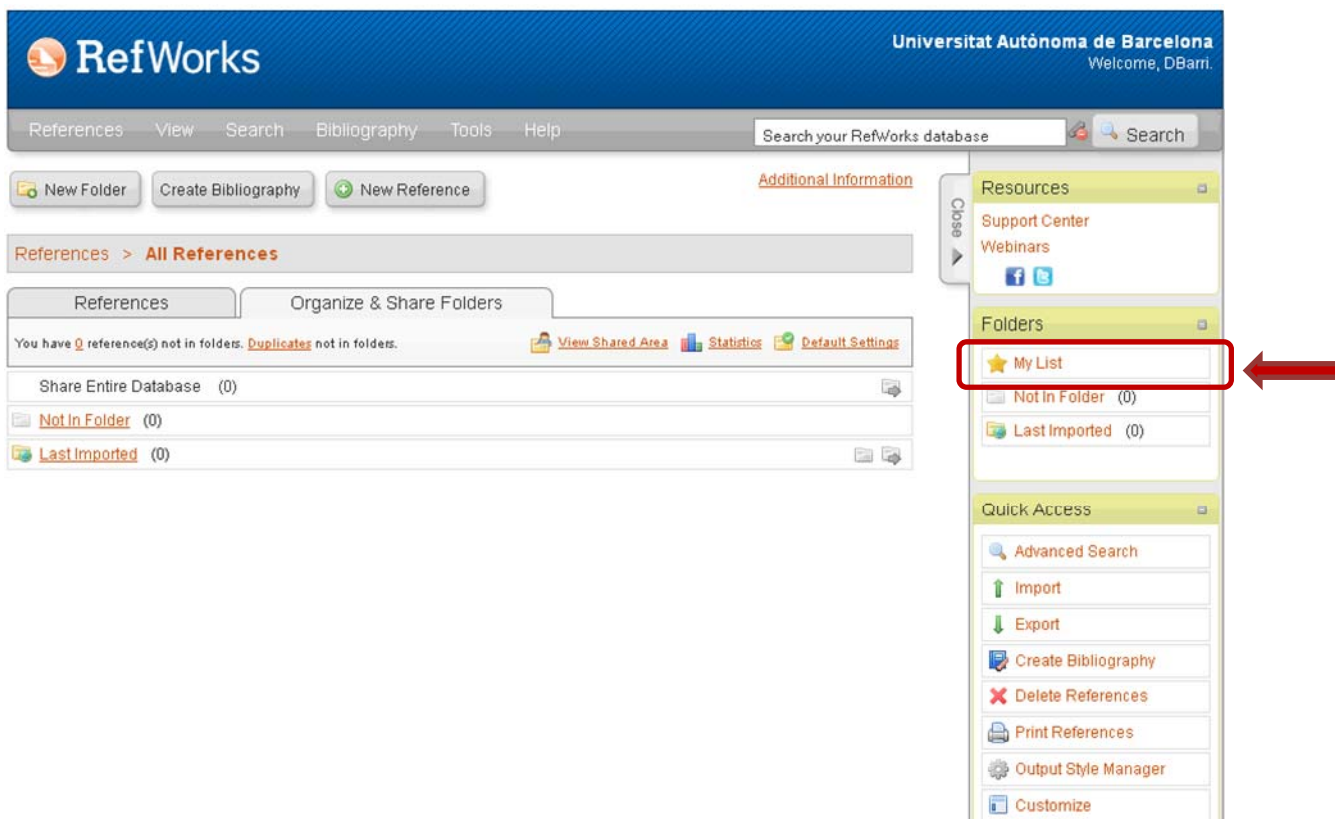

2.3. Sharing folders (RefShare)

The screenshot displays the RefWorks web interface. At the top, the header includes the RefWorks logo, the text 'Universitat Autònoma de Barcelona', and a user greeting 'Welcome, DBarr.'. Below the header is a navigation menu with 'References', 'View', 'Search', 'Bibliography', 'Tools', and 'Help'. A search bar is present with the placeholder text 'Search your RefWorks database'. The main content area is titled 'References > All References' and features a sub-tab 'Organize & Share Folders'. This section shows a list of folders: 'Share Entire Database (0)', 'Not In Folder (0)', and 'Last Imported (0)'. A red square highlights the 'Share' icon (a document with a person) next to the 'Last Imported' folder, with a red arrow pointing to it. On the right side, there is a sidebar with sections: 'Resources' (Support Center, Webinars), 'Folders' (My List, Not In Folder, Last Imported), and 'Quick Access' (Advanced Search, Import, Export, Create Bibliography, Delete References, Print References, Output Style Manager, Customize).

2. Managing folders

2.4. "My list"

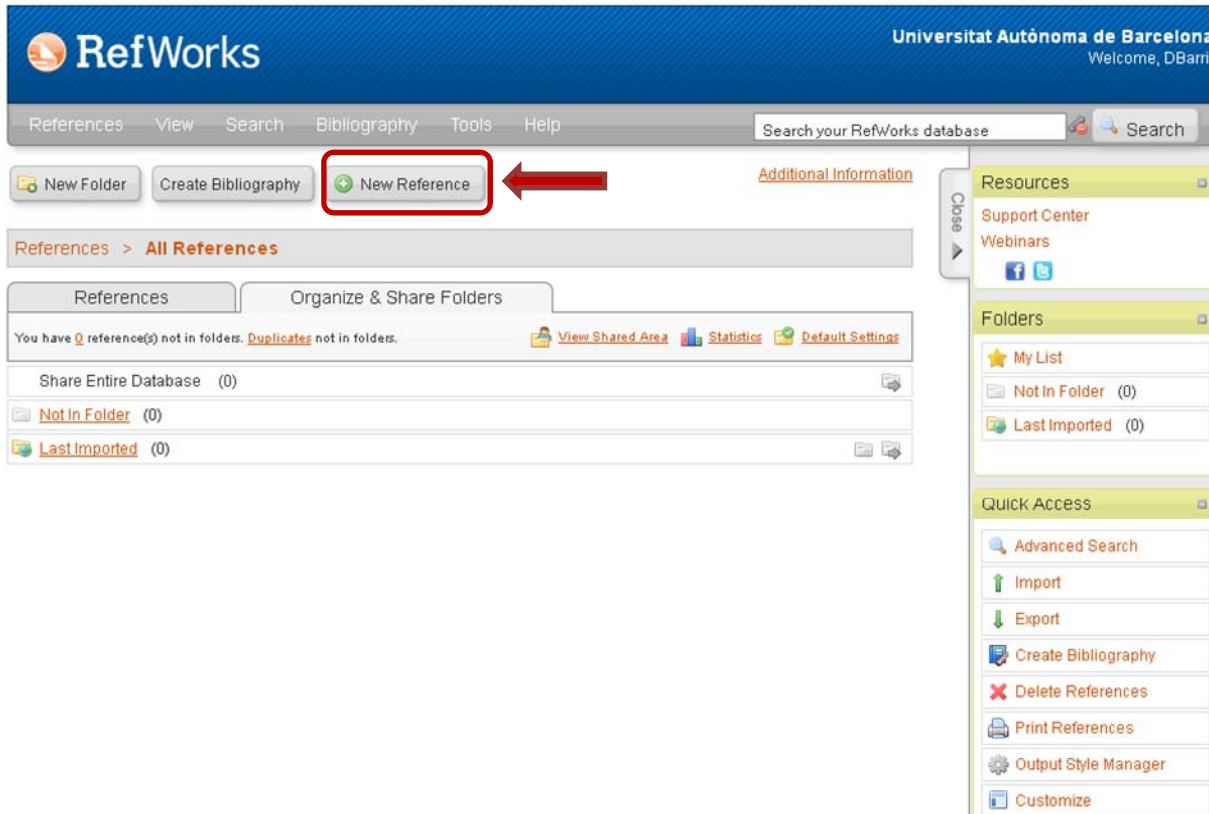

The screenshot displays the RefWorks web interface. At the top, the header includes the RefWorks logo and the text "Universitat Autònoma de Barcelona" and "Welcome, DBarr.". Below the header is a navigation menu with "References", "View", "Search", "Bibliography", "Tools", and "Help". A search bar is present with the placeholder text "Search your RefWorks database".

The main content area is divided into two tabs: "References" and "Organize & Share Folders". The "Organize & Share Folders" tab is active, showing a message: "You have 0 reference(s) not in folders. Duplicates not in folders." Below this message are several buttons: "View Shared Area", "Statistics", and "Default Settings".

On the right side, there is a sidebar with a "Close" button. The sidebar is organized into sections: "Resources" (containing "Support Center" and "Webinars"), "Folders" (containing "My List", "Not In Folder (0)", and "Last Imported (0)"), and "Quick Access" (containing "Advanced Search", "Import", "Export", "Create Bibliography", "Delete References", "Print References", "Output Style Manager", and "Customize"). A red box highlights the "My List" folder in the "Folders" section, and a red arrow points to it from the right.

2013 Any Espriu

Posted in Literatura by [Montse Gutiérrez Folgueiras](#)

El 10 de juliol de 1913 naixia a Santa Coloma de Farners l'escriptor Salvador Espriu. Per commemorar el centenari del naixement la Generalitat de Catalunya ha decretat l'any 2013 com "Any Espriu" i, per tant, al llarg d'aquests dotze mesos es duran a terme diverses iniciatives organitzades per municipis i institucions d'arreu del país. Una de les primeres activitats organitzades ha estat la creació del web www.anyespriu.cat on es podran consultar totes les activitats programades. D'altres activitats destacades són:

- Exposició "Titelles gegants. Escultures al carrer"
- Exposició "He mirat aquesta terra" al CCCB
- II Simposi Internacional Salvador Espriu a Arenys de Mar i a la Universitat Autònoma de Barcelona
- Simposi Internacional sobre Salvador Espriu a la Queen Mary University de Londres i a la Cambridge University.
- Inauguració d'una escultura pública a Barcelona.

Podeu trobar més informació de l'obra de Salvador Espriu al catàleg de les biblioteques de la UAB cercant Espriu o bé per autor o per matèria. També podeu consultar TRACES, base de dades de llengua i literatura catalanes.
