The main tool to search resources is the **Cercador of the UAB Library Service** (www.uab.cat/biblioteques/), which contains the references of all the UAB documents in any support. You can also consult the full-text of the electronic resources if the UAB has access to them.

Moreover, you can consult the **Catàleg Col·lectiu de les Universitats de Catalunya – CCUC** (puc.cbuc.cat), which allows you to locate the collections of the Catalan public universities, the Biblioteca de Catalunya and other institutions.
