How to update a researcher profile with...

ORCID

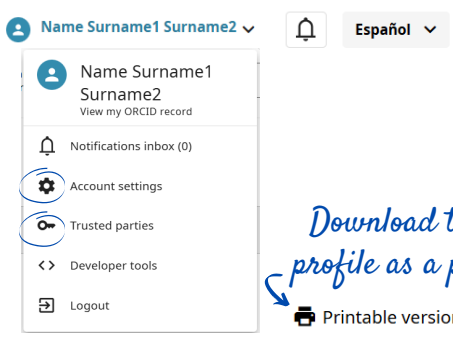

1 Go to www.orcid.org

We recommend using your institutional email

2 Edit your profile

Set general settings, visibility, and security, and remove duplicate records, among other tasks.

Allow third parties to interact with your profile.

Download the profile as a pdf

Add the URL of your researcher profile from the UAB Research Portal

Make your profile public to increase its visibility

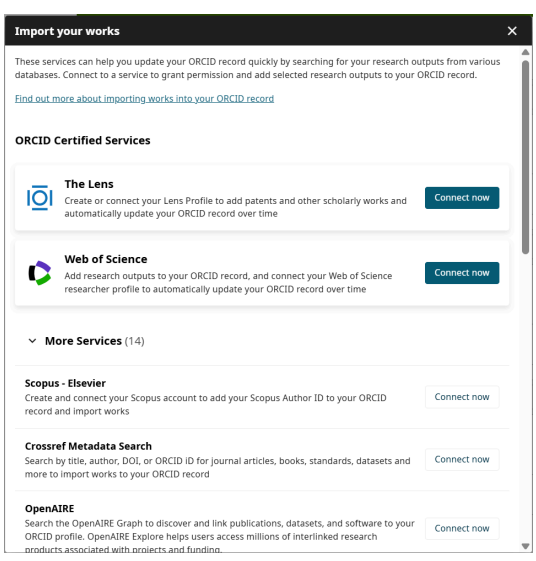

You can search by first and last name, truncate terms using * as a wildcard, and directly import funding data into your profile.

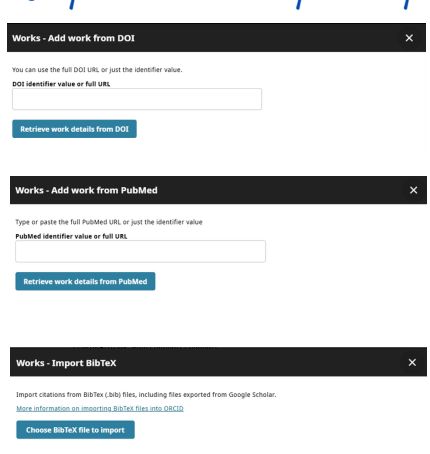

Featured works Manage

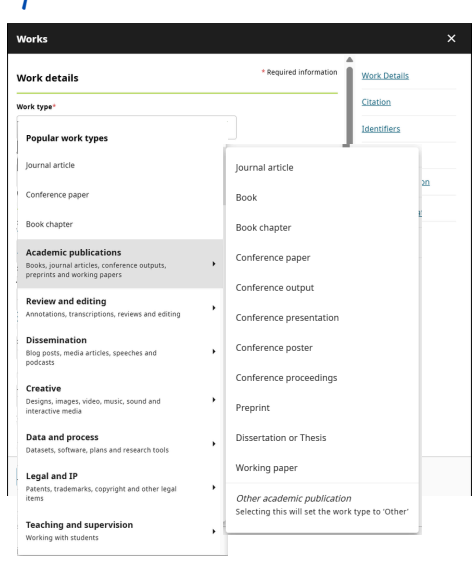

Select your most relevant publications (up to 5)

Works (0) Add Sort

Import or manually enter your publications

3 Link your ORCID to Scopus and Web of Science so that they will automatically appear under "Other IDs". Also connect any other profiles you may have.

RECOMMENDATIONS

- Include your ORCID iD in your scientific publications, email signature, professional networks, personal and institutional websites, and in grant applications for research projects.
