- Locker to charge the batteries to loan the same day.

We can provide you with other objects as: calculators, headphones, slate kits (felt tip pen + eraser), headphones and chargers for mobile phones.

Reproduction of documents

Self-service photocopiers, printer and microfilm reading-reproducing devices and scanners are available. Please, use them according to the current legislation.

ddd.uab.cat/record/170030.

Training courses for users

At the beginning of the academic year welcoming sessions are offered to new students to explain how the library is organized. During the academic year you can attend other training sessions to learn about available resources: Information sources, bibliographic manager, etc. You can view it and sign up for at www.uab.cat/biblioteques/cursos

Search Engine of the UAB libraries

www.uab.cat/biblioteques

Different bibliographic information can be searched:

- digital collections full text (books or journals). From outside the library through ARE www.uab.cat/biblioteques/are.
- Which library they are in, location (section, room, ...)
- Status book (available, on loan, reserved or excluded from loan)
- Access the bibliography from a particular course
- Consult the data on your loans and make arrangements as renews and reservations (My Account option)
