Services

The **services** the UAB Libraries offer to their users are described in the Service Charter.

Document acquisition

This service has the job of controlling and managing acquisitions for the document collection.

If you are members of the university community associated with the Faculty of Communication Sciences, you can suggest new acquisitions of bibliographical material by using the proposal forms to be found at the Information and Lending Counters or by using the electronic version, which you will find in the section "Request forms" on the website.

Consult the latest **bibliographical additions** at <http://www.bib.uab.es/novesadquisicions/>

Access to the UAB Libraries collection of digital resources at: <http://www.uab.cat/bib/trobador>.

UAB users access these resources from home through the VPN Service (Servei de Xarxes Privades Virtuals).

Consulting and lending

To search for material in our collection you can consult the **UAB Catalogue**, accessible using the computer terminals on every floor or from every other Library on the campus, and on the internet at the following URL: <http://www.uab.cat/bib/cataleg>

- **Consulting rooms.** On the 2nd, 3rd and 4th floors you will find consulting rooms with the appropriate equipment and 13 cabins on the 2nd and 3rd floors. On Floor -1 there are various work rooms (12 rooms for group work, 1 work room and a study room). Consult the [Rules for using the booths and work rooms](#).
- **Lending.** 1st and 2nd cycle students can borrow up to 6 documents, those of the 3rd cycle up to 12 documents, and lecturers up to 35 documents.

Penalties for delay in returning documents shall be applied in accordance with the Library Service [Lending rules](#).

Instruction for users

At the beginning of the academic year, the Library organises a course entitled "Come and get to know your library" for 1st year students, aimed at presenting the Library, showing the document collection for the different sections and providing information about its functioning and the services on offer. You can find more information at <http://www.bib.uab.cat/comunica/forvin.htm>.

The Library also organises courses about databases and Refworks, the bibliographic citation manager, and in addition offers the possibility of requesting specific courses and guided visits. Further information is available at <http://www.bib.uab.cat/comunica/forbdd.php>.

Information

At the Information Counters on the 2nd, 3rd and 4th floors, the Library staff will be able to assist you in your document searches and attend to any enquiries you might have.

Obtaining documents

If you need documents from outside of the UAB Libraries Service, these can be obtained using the [Documents Obtaining Service](#).

Reproduction and printing of documents

On the 2nd, 3rd and 4th floors there are self-service photocopiers, and on the 4th floor can be found the OCE Reprographic Service, which has the following **opening hours during term time**: from 12.30 a.m. to 2.00 p.m. You can also print from any of the Library's computer terminals and collect your printouts at the self-service photocopiers on 2nd, 3rd and 4th floors.

Lending of laptops

The Library lends laptops to be used inside the Library for a 4 hour period (renewable once for two hours more).

Wireless network

From floors -1, 2, 3 and 4 of the Library you can gain access to the internet and to the UAB network from your laptop computer. On [Coverage distribution](#) page you can find the areas where the signal quality is best. For further information consult our [FAQs–Wi-Fi network](#).

Suggestions and complaint

On the UAB's "Digueu" web page (<http://www.uab.cat/uab-digueu/>) you can make suggestions and/or complaints about the Library's services, resources and features.

For further information you can consult the [Libraries Service Rules](#).
