## Search ("Cercador")

<https://bibcercador.uab.cat/>

To search for materials in our collection and to access electronic resources you can use the [Cercador](#). The list of results will provide comprehensive information about the document: availability, location, loan type...

At [Reading lists](#) you can find the documents recommended by the teaching staff for any subject being taught during the academic year. You can search either by title or keyword and filter the results by the professor's or subject's name.

## SERVICES

The services on offer at the UAB Libraries are described in the [Service Charter](#)

Our commitment to user with disabilities and specific educational needs: [Services for users with disabilities and specific educational needs](#)

## LOAN SERVICE

### UAB loan service

The loan service allows to borrow library documents for a certain period of time to all members of the university and other entitled persons.

To use this service you must hold a UAB Card or another document indicating your entitlement to borrow items.

More information: [UAB loan service](#)

## Consortial borrowing (PUC)

You can borrow documents from the libraries of other Catalan public universities (UB, UPC, UPF, UdG, UdL, URV, UOC, URL, UVIC, TecnoCampus and BC).

Users can request items directly through the UAB Searcher or in situ at the library that owns the documents. Please check: [Consortial borrowing \(PUC\)](#)

## Interlibrary loan (ILL)

This service allows UAB members to borrow physical material from other libraries and universities, as well as obtain copies of articles or chapters from titles that are not held by UAB libraries or are not provided through the PUC.. More information: [Interlibrary loan \(ILL\)](#)

## Laptop and equipment loan

The UAB libraries lend laptops and other objects (chargers, bookrests...) to all university community members. Please check: [Laptop loan](#)

## ONLINE ADVICE SERVICE

We offer personalized advice on finding information on a specific topic, as well as on the services, tools and resources of the UAB Libraries. This service is performed by videoconferencing through the Teams platform

You can request it using the form: [Online advice service](#)

## TRAINING SESSIONS
