Search ("Cercador")

To search for materials in our collection and to access electronic resources you can use the [Cercador](#). The list of results will provide comprehensive information about the document: availability, location, loan type ...

At [Reading lists](#) you can find the documents recommended by the teaching staff for any subject being taught during the academic year. You can search either by name, *subject code* or *by the professor's name*.

Services

The services on offer at the UAB Libraries are described in the [Service Charter](#). Our commitment to users with disabilities and specific educational needs: [Services for users with disabilities and specific educational needs](#)

Loan service

Loan use this service you must hold the **UAB card**. The number of items you can borrow and the standard loan period depends on your membership type (10 items for undergraduate students).

Loan period

The maximum loan period depends on the type of document borrowed: commonly 21 or 7 days (for recommended bibliography).

- *Weekend documents*. Marked with a **blue dot**: the document may be taken out on loan from Friday to Monday and during holidays. Weekend documents must be returned to the owner library.
- *Not-for-loan documents*: journals, newspapers, dissertations, reference books and documents marked with a **red dot** cannot be borrowed (please, consult them *in situ* in the library).

How to renew items

You can renew items up to 6 times unless the item has been recalled or is on reserve. Books from other Catalan public universities (Consortium loan service, PUC) can be renewed up to 4 times. Renewal is available either online (using the ["My account"](#) link), by telephone or in person (at any UAB library loan desk).

How to return items

You can return your borrowed items either to the Medical Library return drop box during the School of Medicine opening hours or to any of the enabled return drop boxes at the UAB libraries.

Reservations

You can reserve any document from the UAB libraries and pick which library you want to collect it from. You can make your reservations either online on [www.uab.cat/biblioteques](#) "My account", or at any UAB library loan desk.

Laptop and equipment loans

The UAB libraries lend laptops and other objects (headphones, charging lockers...) to all university community members.

Consortium loan service (PUC)

Users of any consortium library are allowed to borrow items from any other CSUC library (UB, UPC, UPF, UdG, UdL, URV, UOC, URL, UVIC and BC). Users can request items directly through the interface [PUC](#) or *in situ* in the library that owns the documents. Users can also pick which library they want to collect the requested documents from.

Information 24 h

Information service to help you to solve any doubt about the terms of use of our library, services, facilities and equipment, as well as to ask for expert support in searches for your studies or research. [Pregunt@: Libraries Information Service UAB](#)

Training sessions

Check the training sessions schedule at: [Library training calendar](#). The library offers training sessions about: PubMed, CINALH, Scopus, Web of Science and Mendeley Institutional. If the session you are interested in is not currently available or you want a tailor-made session, fill in the form [Tailored sessions](#)
