

EL QUIOSC

It is a collection of more than 1,350 international newspapers and magazines. It provides information on which databases we can find the different titles and the available years. Additionally, it provides access to the digital version of the publication and, if applicable, to the UAB catalog. Consultable from any computer connected to the Internet at www.uab.cat/biblioteques/quiosc

Also...

At the Communication Guide you'll find 2 sections:

- **Press:** To find out what newspapers and magazines are received at the library, publications edited during a period, which newspapers have more diffusion, links to other newspaper archives, etc. www.uab.cat/web/quies-tematiques/comunicacio/premsa-1345724974325.html
- **Databases: press:** Indexing services, distribution, directories, etc. www.uab.cat/web/quies-tematiques/comunicacio/bases-de-dades-1345756654944.html
