

Social Sciences Library, areas

The Social Sciences Library has **4 floors**. The accesses are:

- by the Floor 0 from the corridor of the first floor of the building B, between the Economics and the Law secretaries,
- and by the Floor -2 from the street, crossing the bridge coming from the Plaça Cívica.

Access for people with disabilities

- You can access the library from floors 0, -2 and -3.
- To use the gateway to the ground -3 UAB Study Room, you must ring the bell at the entrance facing the parking of Economics (accessed by the central axis campus). On this floor there is a disabled toilet -3.
- To move between 0 and -2 plants you can use the lift for internal use of the Library
