- When you finished, leave the documents in the carts
- Don't eat, drink or smoke inside

Veterinary Library. General Guide

Services

Information: when you need help to search information or documents, locate documents or need assistance with computers, head for the Information/loan desk at Level 0.

Optionally you can find a request formulary in the ask-a-librarian UAB platform:

Pregunt@ - Ask for any question you need to resolve through the e-service: www.uab.cat/bib/pregunta

UAB Library Catalogue: www.uab.cat/bib/cataleg Use UAB library network catalogue to know:

- What kind of documents you can find
- In what libraries are these documents
- If these documents are available or loaned, reserved or by library use only
- Information about your loans and make borrowing and reserves (*My account*)

Loan: Graduate students: 6 documents for 7 or 14 days. Postgraduate students: 12 documents during 28 days. There are also documents excluded from loan, or limited at weekends (red point). You can renew your loans up 6 times, by phone or by Internet www.uab.cat/bib/cataleg (*My account*). The delay in the return supposes the application of fines according library service policy: 1 day for each overdue document/day, and 4 days for each overdue document/day at weekend documents.

Interlibrary loan: this service provide university users the documents not available in the library collections of the UAB. Fulfill the form and request the document desired through our web (*Request forms, Interlibrary loan*).

Users training: At the beginning of the academic course UAB Library Service organize the course “Vine a Conèixer la teva biblioteca” : informative/practical session about the organization of library services. Also we organize sessions about RefWorks: citation management software ; Trobador: to find electronic resources, etc. Look for courses and training sessions at the web page of the Library Service (*Request forms, User training*).

Acquisitions: If you can't find a document on our library it's possible to propose the acquisition of new documents filling the application form that you'll find at Library Service site (*Request forms, Acquisitions*).

See the **Service Charter** www.uab.cat/bib (*Services*) and the **UAB Library Rules** www.uab.cat/bib (*Library rules*) to know the services offered & library regulations of UAB Library Service.

Equipments

Working rooms with computers: 9 working rooms for groups (level 0) and 3 working rooms for groups (level -1). They could be used during 2 hours. Request for them at the Information/ Loan Desk.

Individual work with computers: 8 spaces (level 0) and 8 spaces (level -1).

Laptops for loan: It's possible to take 4 laptops for loan inside the Library. They could be used during 2 hours. Request for them at the Information/Loan Desk.

Photocopy/Printer service: Available for everybody there are 2 self-photocopiers/printers on the level -1 in a closed room (coins and target). It's possible to print from all the Library networked computers.

Alternatively, it's possible to print in the SIMU printers (black/white) and in the Photocopy Service (color). Both official services of the Vet Faculty.

USB pendrives: We can offer also 2 USB pendrives for loan, during 7 days. Ask information at the Information/Loan Desk.

Wifi: Access to internet with personal or in-house laptops is possible with UAB wireless service in all library spaces. It can be used also plugs at all levels of the library in order to load this equipment..

Remote access: Consider also to connect all UAB electronic resources collection outside UAB campus through the Virtual Private Network client program. More information in the web page www.uab.cat/bib (*Remote access*).

Audio-visuals and microforms: Ask at the Loan Desk.

To know more: consult our guides about: Food / Animal production and Agriculture / Clinic and Animal Health / Veterinary Digital Library
