The Accés als Recursos Electrònics service (ARE) allows UAB users to work with Libraries Service electronic resources from computers off campus: [www.uab.cat/libraries](http://www.uab.cat/libraries), *Access from off campus*.

Social Sciences Library
[www.uab.cat/biblioteques/socials](http://www.uab.cat/biblioteques/socials)

September 2015 edition
Digital version: [ddd.uab.cat/record/66130](http://ddd.uab.cat/record/66130)

Moreover, you can consult other catalogues, as the Catàleg Col·lectiu de les Universitats de Catalunya – CCUC ([puc-cbuc.cat](http://puc-cbuc.cat)), which allows you to locate the collections of the Catalan public universities, the Biblioteca de Catalunya and other institutions.

The main tool to search resources is the catalogue of the UAB Library Service ([www.uab.cat/libraries/catalog](http://www.uab.cat/libraries/catalog)), which contains the references of all the UAB documents in any support. You can also consult the full-text of the electronic resources if the UAB has access to them.
Databases

- **ABI/INFORM Complete.** Economic journal articles, accounting, human resources, companies, finances, marketing, etc., provided in full-text. Also theses from 1962, working papers, annual reports of North American companies and many different reports: marketing research and industrial sector (the Business Monitor International, Just-Series...), raw materials and business conditions by country (the Economist Intelligence Unit, Oxford Analytica...), etc.

- **DataStream.** Statistic data about finances, business and economy. Current and retrospective wide coverage of worldwide shares, bonds, goods, exchanges rates and emerging markets. Also macroeconomic data and company annual reports. Monthly update.
