

## Digital Physiotherapy Resources

### Access to digital resources from outside the UAB

[ARE](#) service allows access to subscribed electronic resources from any device with an internet connection located outside the UAB. To use it, it is necessary to be a member of the university community and respect the conditions of use of these resources.

### Resources of current interest

Trial access to ScienceDirect eBooks until next 31st October.

You will be able to read the books online and download them in full, or by selecting only the chapters you need.

[Access to ScienceDirect eBooks](#)

### Document location

[Search](#)

It is a tool that allows a simultaneous search to be made of all the information resources available in the UAB Libraries.

- Browser's guide: <https://ddd.uab.cat/record/196855>
- Video help (in Catalan): [Browser – Video help](#)

### Bibliographic databases specialized in nursing:

[CINAHL Complete](#) (Cumulative Index to Nursing and Allied Health Literature)

It is a database specialized in nursing, biomedicine, alternative medicine and other disciplines related to the health sciences.

[ENFISPO](#) (*Enfermería FISioterapia Podología* -Nursery, Physiotherapy, Podiatry-)

Bibliographic database of magazines in Spanish that are received in the Library of the School of Nursing, Physiotherapy and Podiatry of the Complutense University of Madrid.

[Kinedoc](#)

French bibliographic database of in Masso-Kinesiotherapy and Physiotherapy.

[EDApb](#) (Physical Agents and Evidence in physiotherapy and rehabilitation)

Bibliographic data base with references it supports Building Evidence-base practice in Physiotherapy and Rehabilitation.

[PEDro](#) (Physiotherapy Evidence Database)

Physiotherapy Evidence Database of the Australian Physiotherapy Association.

[Rehabdata](#)

Bibliographic database of the [National Rehabilitation Information Center \(NARIC\)](#) specialized in rehabilitation and special education.

## Health science databases

[IBECS](#) (Índice Bibliográfico Español)

Database prepared by the [Instituto de Salud Carlos III](#) in collaboration with the [Biblioteca Virtual en Salud](#) that collects articles from more than 200 health sciences journals published in Spain since 2000.

[MedEs](#) (MEDicina en ESpañol)

Database containing articles from more than 100 Spanish journals in Medicine and Pharmacy.

[Medline](#)

Bibliographic database. It contains more than 25 millions of references, of 5.200 biomedical and health science publications, compiled by [National Library of Medicine](#) of United States of America since 1966 up until now.

[PubMed](#)

Portal with various medical databases (including [Medline](#)) created by the [National Library of Medicine](#) of the United States of America. It provides more than 30 million references and abstracts of peer-reviewed biomedical literature. It does not provide the full text of the article, but it does provide the link to it as long as it is open access and free.

## Multidisciplinary databases

(with tools for monitoring, analysis and visualization of research)

[Scopus](#)

Multidisciplinary database containing articles published in more than 15,000 peer-reviewed journals from all areas of knowledge. It offers other value-added services such as the **SJR** and **SNIP** indices that value the quality of the journals, the creation of alerts, as well as analyses and makes graphs about the scientific production of an author (H index and citations received). Woman access to the abstracts since 1966 and in the complete references since 1995.

[Web of Science](#)

Set of multidisciplinary bibliographic and bibliometric databases. It allows thematic searches and by cited work or author, the consultation of bibliometric indicators (number of citations received, H index, impact factor of journals, graphs of scientific production, etc.). It includes, among other databases, *Science Citation Index Expanded* and *Journal Citation Reports*.

## Digital books and magazines signed by the UAB

[Access to digital books and magazines](#)

It allows searching for digital books and magazines by title, subject or ISBN / ISSN.

➤ [Harrison Medicine](#)

Access to the full text of the book *Harrison Principios de Medicina Internal* (in Spanish).

➤ [EMC-Kinesioterápia-Medicina Física](#)

Digital resource with the main techniques in rheumatology, orthopaedics, neurology, etc. and its applications in the treatment of patients with transient or permanent disabilities. Rehabilitation of the elderly, use of prostheses, cerebral palsy, re-education of the neurogenic bladder and socio-professional rehabilitation are treated by multidisciplinary teams, taking into account scientific and technological advances. It contains an abundant iconography and decision-making algorithms that aid in diagnosis as well as understanding of recommended techniques.

## Digital Deposits / Repositories

[DART](#) (Europe E-Theses Journal)

DART-Europe is an association of research libraries and library consortia working together to improve global access to European doctoral theses.

[DDD](#) (*Dipòsit Digital de Documents de la UAB* -Repository of Documents-)

Collects, manages, disseminates and preserves UAB's scientific, teaching and administrative production.

[DIALNET](#)

Project led by the *Universidad de La Rioja*, with the participation of other Spanish universities, for the development of a database of journal summaries. The UAB collaborates in the project with the inclusion of summaries of some magazines of its funds. Members of the UAB community have access to the collection of summaries and can also sign up to receive alerts from magazines of their interest.

[Proquest dissertation & Theses global](#)

Database that allows obtaining bibliographic data on doctoral theses read around the world.

[RECERCAT](#) (*Dipòsit de la Recerca de Catalunya* –Deposit of the Research of Catalonia-)

Cooperative repository in which the research literature of the universities and research centres of Catalonia can be consulted, such as articles, research papers, Master's Thesis / Project, degree papers, conference papers, reports, working documents, etc.

[TDX](#) (*Tesis Doctorals en Xarxa* -Online Doctoral Theses-)

Cooperative repository that contains, in digital format, the doctoral theses read at the universities of Catalonia and other autonomous communities.

[TESEO](#)

Information on the doctoral theses defended in Spanish universities since 1976.

## Reference manager

[Institutional Mendeley](#)

Bibliographic references manager that allows you to manage and share bibliographic references with other users and their inclusion in scientific papers. It can also be used as an academic social network and as a collaborative catalogue of scientific literature.

## Course bibliography

[Course reserves:](#)

Let you search the course bibliography by subject or by teacher
