July 12, 1966

Dear Professor Vallicrosa:

We feel that the enclosed paper(s)--listed below--may be of particular interest to you; although you are not at present a member of our staff of reviewers, we would greatly appreciate it if you would be willing to review this material.

If you might be interested in the possibility of reviewing regularly for MATHEMATICAL REVIEWS, please supply the information requested on the enclosed card and return it to us along with your review(s).

If it is not convenient for you at present to review this material, it would be appreciated if you could return the article(s) and review sheet(s) to us, since we do not have duplicates.

Sincerely yours,

The Editors

MATHEMATICAL REVIEWS

UNIVERSITY OF MICHIGAN

P. O. BOX 1428

ANN ARBOR, MICH. 48103, U. S. A.

VIA AIR MAIL

Professor José Millas Villicrosa
Facultad de Filosofia y Letras
Universidad
Barcelona, SPAIN

José Millas Vallicrosa (n.r.)

May we remind you that you have in your hands the following papers for review:

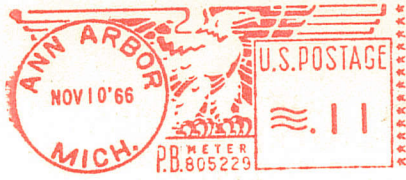

199525 Levey, M. SENT: 7/12/66(BOOK)

*The Algebra of Abū Kāmil (Kitāb fī al-jābr wa'l-muqābala) in a Commentary by Mordecai Finzi. The University of Wisconsin Press, Madison, Wis., -London, 1966.

May we ask that you return to us at once those papers which you feel you will not be able to review soon, since the effectiveness of MATHEMATICAL REVIEWS depends upon the promptness with which competent and authoritative reviews can be placed in the hands of the readers.
