Dear Professor Vallierosa,

I am taking the liberty of sending some reprints of my papers which I hope you will find of interest. I send them with my compliments and good wishes.

For a long time I have found your work on the history of science in Spain extremely valuable, and have now in my possession your

Estudios sobre Agarquiel, 1943-50.

Estudios sobre historia de la ciencia española, 1949.

el libro de los fundamentos ---- de Abraham Shw 'Ezra, 1947.

Las traducciones orientales ----- de Toledo, 1942.

which I have in my library for reference purposes.

If you have any other more reprints of your work I should be most pleased to have copies if you could kindly send them to me sometime.

With kind regards,

Yours sincerely,

H. J. J. Wincer.
