Dear Ms. Cocchi,

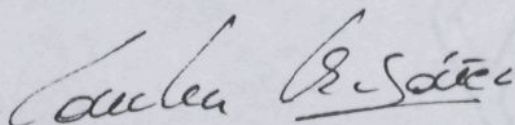

Thank you for your fax dated 26 April. We are pleased to learn that you are definitely interested in translating into Italian *Quantum Mechanics* by Galindo and Pascual.

Our agreement conditions are the following: an advance of 200.000 pesetas and a royalty rate of 10% of the Italian publishing price, for each copy sold. We would expect the payment of the advance at the time the contract is signed.

We would also like to receive 6 free copies upon publication of the book.

Regarding other matters, you should give acknowledgement of the English version by Springer Verlag, to thanking them for sending reading copies. I am writing Springer to that effect.

Looking forward to hearing from you,

Concha Ordóñez
