- “Hybrid” school (mixture of face-to-face interaction and live streaming)
- New LEAD-ME Winter School: on media accessibility training, specially on those aspects related to the required skills and competences of professionals and students, curriculum design, methodological approaches, and on training materials and assessment.
- The focus this time will be specifically on **sign language** and **subtitling for the deaf and hard of hearing (SDH)**.
- Following the same structure from the previous Winter School (Barcelone) and Summer School (Warsaw), lectures, workshops and students’ presentations will be organized following this line of research.
- More info in the following weeks: <https://lead-me-cost.eu/events/leadme-events/>
