Welcome to  
Warsaw and  
SWPS  
University

## SWPS UNIVERSITY'S PSYCHOLOGY PROGRAM BEST IN POLAND IN SHANGHAI RANKING

For the third time in a row, SWPS University has been included in the Shanghai Global Ranking of Academic Subjects, which presents the standing of universities from around the world...

# LEAD-ME & Summer School

The main aim and objective of LEAD-ME is to create a collaboration among all stakeholders in the field of Media Accessibility ... **fostering knowledge exchange** and development of a joint research agenda on Accessibility

The LEAD-ME Summer School “Eye tracking in media accessibility research - methods, technologies and data analyses” addresses major questions related to **harnessing the potential of eye tracking for media accessibility research**.

We will discuss fundamental concepts of eye tracking research as applied to media accessibility.

# Programme at a glance

ABOUT

Welcome to LEAD-ME CA19142

252 views • 7 months ago

LEAD-ME COST Action aims to help all stakeholders in the field of Media Accessibility and cross-cutting topics (e.g. AI and Interactive Technologies) in Europe to meet the legal milestones requested by the recently passed European legislation. Researchers, engineers, scholars as well as businesses and policy makers will be empowered by LEAD-ME with a common and unique platform which, during the next 48 months, will collect, create, share, and disseminate innovative
