programme of the European Union

1. The platform

The screenshot displays the GREEN SCENT platform's user interface. At the top, there is a header with the European Union flag logo and text indicating it is co-funded by the Horizon 2020 programme. To the right of the header is the GREEN SCENT logo with the tagline "SMART CITIZEN EDUCATION FOR A GREEN FUTURE". The top navigation bar includes icons for Home (a house), User (a person), Notifications (a red circle with the number 2), and Language (EN). Below the navigation bar is a teal-colored header bar with "HOME" and "SETTINGS" buttons. The main content area features the text "SMART CITIZEN EDUCATION FOR A GREEN FUTURE" in large, bold, black letters. Below this, there are three square icons with labels: "CREATE" (yellow film strip with play button), "EXPLORE" (magnifying glass over a mountain peak with a sun), and "LIBRARY" (stack of books). At the bottom of the page, a dark blue footer bar contains the European Union flag logo and the text "This project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No 101036480." and "©2022 Greenscent. All right reserved".

1.1. The ‘create’ mode

The screenshot displays the 'Create' mode interface of the GreenSCENT application. The top navigation bar includes the GreenSCENT logo, a home icon, a user profile icon, a notification badge (2), and a language switch (EN). Below the bar are 'HOME' and 'SETTINGS' buttons. The main area is titled 'Create' and features a toolbar with search, filter (A-Z), sort, and media icons (location, photo, music, video, document, zero, CC, C). A grid of 12 items is shown, each with a preview, title, date, and download link. The items represent different types of accessible content:

- GreenSCENT test 3 (27/04/2022, 09:39:41 UTC): Preview shows a globe.
- test3_photo (29/04/2022, 08:16:16 UTC): Preview shows a person using a laptop with a CO2 emissions interface.
- ClosedCaption_Acces... (29/04/2022, 08:19:12 UTC): Preview shows large 'CC' text.
- AudioDescription_Acces... (29/04/2022, 08:19:43 UTC): Preview shows large 'AD' text.
- Languages_Acces... (29/04/2022, 08:20:38 UTC): Preview shows large 'AA' text.
- LargeText_Acces... (29/04/2022, 08:21:05 UTC): Preview shows a large black rectangle.
- SignLanguage_Acces... (29/04/2022, 08:21:26 UTC): Preview shows hands in sign language.
- Subtitles_Acces... (29/04/2022, 08:21:44 UTC): Preview shows a black rectangle.

A green '+' button is located in the bottom right corner of the grid.

1.1. The ‘create’ mode

The screenshot shows the 'create' mode interface of the GREEN SCENT application. At the top, there is a navigation bar with the GREEN SCENT logo, a home icon, a user icon, a notification badge with the number '2', and a language icon. Below the navigation bar is a teal header bar with 'HOME' and 'SETTINGS' buttons. The main content area is a video editor. On the left, a sidebar titled 'HotSpot' lists options: Image, 2D Video, Audio, Text, Text line, and Html Page. The central area displays a video of a man standing on a sidewalk in front of the Big Ben clock tower in London. A 'Props' panel on the right lists 'Props' and 'Events'. At the bottom, there is a timeline with a play button, a progress bar showing '0:00/1:41', and buttons for 'Timeline', 'Jumps', and 'End of video'. A search bar and a 'Name' dropdown are at the very bottom.

3. The accessibility features

The screenshot shows the GREEN SCENT mobile application's Accessibility settings screen. The screen has a white background with a list of options. Each option is preceded by a radio button and an icon. The options are arranged in two columns. The first column includes: 'REGULAR FONT' (selected, green radio button), 'XL FONT', 'STANDARD FONT', 'REGULAR CONTRAST', 'DEFAULT LINKS', and 'NO UNDERLINE LINKS'. The second column includes: 'LARGE FONT', 'XXL FONT', 'DYSLEXIA FRIENDLY FONT', 'HIGH CONTRAST' (selected, black radio button), 'YELLOW LINKS' (highlighted in yellow), and 'UNDERLINE LINKS'. At the bottom right of the list is a green 'X' button. The background of the app shows a dark grey header with the GREEN SCENT logo, a home icon, a user icon, a red notification badge with the number '2', and an EN language icon. Below the header is a dark green navigation bar with 'HOME' and 'SETTINGS' buttons.

- Tt** REGULAR FONT
- Tt** XL FONT
- A** STANDARD FONT
- AA** REGULAR CONTRAST
- pen** DEFAULT LINKS
- link** NO UNDERLINE LINKS
- Tt** LARGE FONT
- Tt** XXL FONT
- shield** DYSLEXIA FRIENDLY FONT
- circle** HIGH CONTRAST
- link** **YELLOW LINKS**
- underline** **UNDERLINE LINKS**

3. Improvements and future developments

- Localisation of the web in Catalan, Spanish, Italian and Greek (maybe more in the future)
- Development of 'explore' and 'library' modes
- Create different folders for the accessibility icons and the general ones

Co-funded by Horizon 2020
programme of the European Union
