

COURSE TITLE: 21755 Fonètica Anglesa

SEMESTER: A

CREDITS: 5

COURSE TEACHER: Maria Josep Solé

METHOD OF ASSESSMENT:

Assignments and class participation: 25%. Final exam: 75%

BRIEF DESCRIPTION OF CONTENT:

The aim of this course is: 1) to provide an introduction to the principles, methods and techniques of articulatory; acoustic and auditory phonetics; 2) to characterize English speech sounds from an articulatory, acoustic and auditory point of view; 3) to make students acquainted with the instrumental techniques to analyze phonetic phenomena, which are the basis or substance of phonological facts and 4) to review current models and theories of speech production and speech perception.
