BRIEF DESCRIPTION

The purpose of the course is to provide insight to second language students concerning the English lexicon. Word organization in the lexicon. Word retrieval. Both monolingual and bilingual dictionaries will be considered, including those in CD-ROM; we will study them to know how they fulfil their dual function of describing the vocabulary of English and of providing a useful and accessible reference resource

OBJECTIVES

To provide a guide to lexicographical devices, methods, and terminology. To know about words, their constituents, their formation and their meanings. Knowledge about dictionary structure, dictionary use, and dictionary compilation.

ASSESSMENT

A pass mark in a final examination on the theory and practice dealt with along the course, 50%. Class attendance and class assignments, 25%. Article reviews, 25%
