Metodologia

PAPER ON A CASE STUDY

3.500-4.000 word paper where the student has to analyze one of the case studies. The structure of the paper must have:

1. Introduction: brief description of the situation and its context
2. Presentation of the human rights problem/s founded in the case
3. Relation of the case with the topics within the course and if it is possible, comparison with other situations studied at class
4. Presentation of the results obtained to protect the human rights so far
5. Proposal for new/alternative/complementary actions to improve the solutions
6. Personal comment of the case

CAMPAIGN REPORT

1.000 words report of a campaign of one topic related with the course by an international organization (IGO or NGO)

ORAL PRESENTATION

Preparation and presentation by 2 or 3 students of one case.

The case has to be different from the one of the paper).

The presentation (using power point) has to be focus on the main issues and questions

that the situation presents and open a debate about possible way to face it.

CLASS AND DEBATE PARTICIPATION

The active attitude of the student and interventions through the sessions is compulsory and it will represent the 20% of the final mark. The simple assistance to classes without intervention will NOT count as participation

READINGS

The previous preparation of the sessions is compulsory and it will count for the final mark.

The compulsory readings for each session, as well as the topics and/or questions to prepare them will be poin it out at the campus virtual (moodle)

Avaluació

The Evaluation system is continuous. The final mark to pass the course is a "5" and there will be no final exam.

To obtain a grade the student has to have a mark over 4 on each of the six different kind of activities proposed:

- 1) Paper on a case study (30%);
- 2) Reading tests (20%);
- 3) Oral presentation (15%);
- 4) Campaign report (15%);
- 5) Class participation (20%)

The paper, the report and the oral preseentation will be tutorized to make sure the student will achieve the objective before it gets the final mark, and in the case of the paper and the report there will be a chance to review it to improve the first grade.

The grade for the tests and participation will be based on the 80% of the total tests/seminars developed during the course. If a student has participated in the 100% of them, the final grade will be based on the 80% best marks.

All this means that the reevaluation will take place through the course, according with the grades of each activity.
