Prerequisites

There is no previous requirement other than to enjoy reading and literature. We recommend to have passed the first-year subject "Història i Cultura de les Illes Britàniques."

The entry language level of English is B2 of the Common European Framework of Reference for Languages: Learning, Teaching, Assessment, according to which the student is able to understand the main ideas of specific and abstract subjects, including technical arguments in his or her field of specialization (in this case, literature). Also, the student has to be able to interact with native speakers fluently without much effort, and to write clear argumentative essays in which opinions are expressed. The target level at the end of the course is C1.

It is the responsibility of the student to read the books and other materials required for the course. Any indication that students have not completed their reading will negatively affect their assessment.

Evaluation

Assessment is based on:

- 4 Exams (1 per Unit) = 90% [3 exams 20% each, Novel exam with bibliography 30%]
- Class participation = 5%
- Individual bibliographical search (including training) = 5%

Please, note:

- All the subjects in this degree follow continuous assessment.
- All the exercises are **COMPULSORY**. An exercise not handed in or an exam the student has not sat will count as an 'NA' ('no available' or 'no evidence'), that is to say a 0. The submission of any exercise invalidates the student to get a final mark of "No Available".
- The minimum pass mark for the whole subject is 5.
- The student's command of English will be taken into account when marking all exercises and for the final mark. It will count as **25%** of this mark for all the exercises and will be assessed as follows: Grammar (morphology and syntax): 30%; Vocabulary (accuracy and variety): 15%; Consistency (among sentences and paragraphs): 15%; Organization (sound argumentation of ideas): 20%; Style (expression and register): 15%; Spelling: 5%.
- **Reviewing procedure:** Students have a right to review their exercises with the teacher in a personal tutorial, on the set dates, never later than 2 weeks after the exercise/exam is marked, including re-assessment. The student loses this right if s/he fails to collect the exercise/exam within the period announced by the teacher.
- **Re-assessment conditions:** Students whose final average mark is 4,5 to 4,9 and who have completed Continuous Assessment may take re-assessment. This consists of a two-hour written exam on matters related to the subject. The exam is awarded a Pass/Fail mark and the maximum possible final mark is a 5.
- **VERY IMPORTANT!** Partial or total plagiarising will immediately result in a FAIL(0) for the plagiarised exercise(first-year subjects) or the **WHOLE SUBJECT** (second-, third-and fourth-year subjects). **PLAGIARISING** consists of copying text from unacknowledged sources -whether this is part of a sentence or a whole text-with the intention of passing it off as the student's own production. It includes cutting and pasting from internet sources, presented unmodified in the student's own text. **Plagiarising is a SERIOUS OFFENCE.** Students must respect authors' intellectual property, always identifying the sources they may use; they must also be responsible for the originality and authenticity of their own texts.
