Making collective musical activities of musical practice.

Transnature Project. ARTS VISUALS EDUCATION. Transnatura is the title of the multidisciplinary project designed by the teaching teams of four of the subjects in 3rd year of the Degree in Primary Education. It consists of a two days trip and a night out in nature aimed at providing an intense and formative experience in the natural environment which, besides working specific objectives of each of the disciplines, it also facilitates the approach of transversal aspects such as sustainability, healthy living, coexistence and the relationship between school and nature, among others. Subjects involved: **Didactics of Experimental Sciences, Learning and Development II, Visual Music Education and learning, Physical Education and its Didactics I.** The departure will be held on **15 and 16 October for groups 31 and 41, and on 22 and 23 October for groups 21 and 71**, so it's an overnight stay. Attendance is mandatory. In case someone is unable to attend it, he/she will have to prove the reason for missing it and perform a compensatory work previously agreed with the teaching team. The activities carried out during the trip will be part of the continuous evaluation of the different subjects. At the beginning of the course each teacher will specify the learning evidences and the corresponding evaluation criteria. Details regarding timetables, price, itinerary and luggage will be provided at least 10 days before the departure.

Seminars
