Activities

Title	Hours	ECTS	Learning outcomes
Type: Directed			
In class activity	45	1.8	9, 11, 17, 18
Type: Supervised			
Press Seminar	5	0.2	6, 8, 14, 16, 21, 23, 10
Type: Autonomous			
Relationships within the channel - study hours	96	3.84	4

Evaluation

Student will get a grade when he covers the 50%of the evaluation activities.

Attendance and participation in class. (maximum absences: 3) - 10%

Press seminar and debate: individual and in groups -10%

Final course assignment (in groups) - 30%

Final exam - 50%

Press seminar is explained herewith and course assignment will be explained at the beginning of the course

SEMINAR PRESS (two sessions)

1 - Individual work: Students must individually seek at media or any source of information a news that refers to the distribution channels and it has been published over the last 4 months. The scope can be local or international, must choose one that you find interesting or relevant on the issue of Distribution Management. (See list of possible topics at the end)

Using the chosen news, the student must write a summary of 300-400 words (more than half a page) that is

included:

- 1 - Article Title
- 2.- Content summary
- 3.- Personal reasons for choosing it and how it relates to the distribution
- 4 - Source and date

The day of the seminar each student individually will make a brief statement explaining the content of what you have written and the document itself will be delivered to the teacher.

2 - Group work. Team groups Students will produce a document assessment of the previous session, including:

- 1 -. Overall rating the session and its development
- 2 - Summary of the session by a typology of issues addressed
- 3 - Election Article submitted as the more interesting related to the Distribution Channel debate and to the audience, including the justification for this choice

The teacher will randomly select one or more groups and there will be a discussion on the above points.

List of possible topics:

- News about store implementations (merchandising)
- News about changes (eg success or failure) of companies retail distribution
- News about new openings, investments, etc. and their impact on the territory and competition
- News about relationships between distribution companies and manufacturer companies
- News about companies adapting to changes in consumer
- News on the impact of technological change on the distribution and communications
- News about activities of antitrust, trade protection, legislative changes done by any public administration in relation to distribution channels
- News about activities of organizations, associations, institutions, lobbies, etc. .. Trading and distribution

Calendar of evaluation activities

The dates of the evaluation activities (midterm exams, exercises in the classroom, assignments, ...) will be announced well in advance during the semester.

The date of the final exam is scheduled in the assessment calendar of the Faculty.

"The dates of evaluation activities cannot be modified, unless there is an exceptional and duly justified reason why an evaluation activity cannot be carried out. In this case, the degree coordinator will contact both the teaching staff and the affected student, and a new date will be scheduled within the same academic period to make up for the missed evaluation activity." **Section 1 of Article 115. Calendar of evaluation activities**

(Academic Regulations UAB). Students of the Faculty of Economics and Business, who in accordance with the previous paragraph need to change an evaluation activity date must process the request by filling out an

Application for exams' reschedule

https://eformularis.uab.cat/group/deganat_feie/application-for-exams-reschedule

Grade revision process

After all grading activities have ended, students will be informed of the date and way in which the course grades will be published. Students will be also be informed of the procedure, place, date and time of grade revision following University regulations.

Retake Process

"To be eligible to participate in the retake process, it is required for students to have been previously been evaluated for at least two thirds of the total evaluation activities of the subject." **Section 3 of Article 112 ter. The recovery (UAB Academic Regulations)**. Additionally, it is required that the student to have achieved **an average grade of the subject between 3.5 and 4.9**.

The date of the retake exam will be posted in the calendar of evaluation activities of the Faculty. Students who take this exam and pass, will get a grade of 5 for the subject. If the student does not pass the retake, the grade will remain unchanged, and hence, student will fail the course.

Irregularities in evaluation activities

In spite of other disciplinary measures deemed appropriate, and in accordance with current academic regulations, *"in the case that the student makes any irregularity that could lead to a significant variation in the grade of an evaluation activity, it will be graded with a 0, regardless of the disciplinary process that can be instructed. In case of various irregularities occur in the evaluation of the same subject, the final grade of this subject will be 0"*. **Section 10 of Article 116. Results of the evaluation. (UAB Academic Regulations).**

Evaluation activities

Title	Weighting	Hours	ECTS	Learning outcomes
Final exam	50	0	0	2, 6, 1, 8, 22, 11, 12, 15, 17, 18, 19, 20, 10, 5
Final assignment	30	2	0.08	9, 11, 17, 18
Press seminar - Individual and team work	10	2	0.08	2, 9, 11, 13, 17, 18, 20
attendance	10	0	0	6, 1, 7, 8, 22, 11, 14, 12, 16, 15, 18, 19, 21, 23, 3, 10, 5, 4
