## Content

Unit 1: INTRODUCTION TO HOTEL DISTRIBUTION

I PART: GDS- AMADEUS

Unit 2: Introduction, codification

Unit 3: Hotels application

II PART: Marketing and new technologies

Unit 4: The Community manager in the tourism companies

Unit 5: Online marketing

## Methodology

The subject is taught considering different teaching and learning methodologies:

I PART:

a) Theoretical Methodology: face-master class explanations for the first part of the course (Amadeus) that help the student to develop a practical methodology through practical exercises.

b) Practical methodology:

Completion and presentation in class exercises and case studies (individual or team) making inquiries, and hotel reservations related with the classroom explanations.

## II PART:

c) Self-learning: In this methodology, the virtual campus is a starting point to develop the second part contents, the students will find there the class notes to read and additional bibliography to work in different case studies related to social media. In this part live projects where the students will act as a consultant for different companies can be included. The teacher acts as a guide in this methodology. The study cases or live projects developed during this part will be presented in class to encourage the collaborative learning.
