Without prejudice to other disciplinary measures deemed appropriate, and in accordance with current academic regulations, irregularities committed by a student that may lead to a variation in the qualification will be rated by a zero. For example, plagiarizing, copying, dropping, ..., an evaluation activity will involve suspending this evaluation activity with a zero. Activities qualified in this way and by this procedure will not be recoverable.

If you do not pass the subject according to the aforementioned criteria (continuous evaluation), a recovery test may be made on the scheduled date of the schedule, and which will deal with the entire contents of the program.

To participate in the recovery students must have been previously evaluated in a set of activities, the weight of which equals a minimum of two thirds of the total grade of the subject. However, the grade that will be included

in the student's record is a maximum of 5-Approved.

Students who need to change an evaluation date must submit the request by filling in the document that you will find in the MOODle space of TUTORing EPSI.

Tests/exams may be written and/or oral at the discretion of teachers.
