Use of Languages

Principal working language: spanish (spa)
Some groups entirely in English: No
Some groups entirely in Catalan: No
Some groups entirely in Spanish: Yes

Teachers

Miguel Alonso Ibarra
Elena Fernández García

Prerequisites

None

Objectives and Contextualisation

The subject of "Contemporary History I" aims to acquire a knowledge of the political, institutional, economic, social and cultural changes in the world, as well as the factors that explain them, from the mid 18th century up to 1871.

The different interpretations and the historiography debates that are derived from them will be taken into account.

Competences

- Critically assessing the fonts and theoretical models in order to analyse the different historical periods.
- Developing critical thinking and reasoning and communicating them effectively both in your own and other languages.
- Mastering the basic diachronic and thematic concepts of the historical science.
- Respecting the diversity and plurality of ideas, people and situations.
- Students must be capable of applying their knowledge to their work or vocation in a professional way and they should have building arguments and problem resolution skills within their area of study.
- Students must be capable of collecting and interpreting relevant data (usually within their area of study) in order to make statements that reflect social, scientific or ethical relevant issues.

- Students must develop the necessary learning skills in order to undertake further training with a high degree of autonomy.

Learning Outcomes

1. Communicating in your mother tongue or other language both in oral and written form by using specific terminology and techniques of Historiography.
2. Developing the ability of historical analysis and synthesis.
3. Engaging in debates about historical facts respecting the other participants' opinions.
4. Identifying the main and secondary ideas and expressing them with linguistic correctness.
5. Identifying the social, economic and political structures of the contemporary world.
6. Organising and planning the search of historical information.
7. Recognising diversity and multiculturalism.
8. Recognising the historical processes that led to the contemporary society.
9. Relating elements and factors involved in the development of historical processes.
10. Solving problems autonomously.
11. Using the characteristic computing resources of the field of History.
12. Using the specific work methods of Contemporary History.
13. Working in teams respecting the other's points of view.
