**Prerequisites**

There are no prerequisites for taking this subject

**Objectives and Contextualisation**

The *practicum* module is established on a mandatory basis and consists of internships in hotel companies. The duration is 12 ECTS and will be offered mainly in the second semester of the curriculum. The internships are carried out in the main hotel chains or consultants specialized in the sector that operate both in Spain and abroad and that recognize our masters students in a differentiated way to those of degree.

The objectives are:

- To know the basic hotel operations of each department for those students without experience in the sector
- To reinforce the practical knowledge of a department of interest for those students who already have previous experience in the sector

**Competences**

- Continue the learning process, to a large extent autonomously.
- Focus on quality and corporate social responsibility in management.
- Identify and combine indicators with which to prepare reports for decision-making.
- Integrate knowledge and use it to make judgements in complex situations, with incomplete information, while keeping in mind social and ethical responsibilities.
- Manage hotel chains with a view to integrating the different areas of business.
- Show possession of a holistic, integrating vision of the worldwide socioeconomic environment and take its impact into account in hotel management.
- Solve problems in new or little-known situations within broader (or multidisciplinary) contexts related to the field of study.
- Work in interdisciplinary teams.

## Learning Outcomes
