Assessment

The evaluation activities will be scheduled throughout the academic year. The dates of realization of the tests in the classroom and delivery of works and reviews will be communicated to the students in advance. There will be two written exams (35+35) and a minimum of two reviews or text commentaries (15+15).

The teacher will establish a specific schedule of tutorials for commenting on the evaluation activities performed.

Students who do not complete all the assessment tests scheduled in the classroom or do not attend compulsory evaluation activities for a value greater than 66% of the final grade will be rated as Not Valid, and will not be able to apply for the recovery. You can not recover the works and the text comments.

The orthographic, lexical and syntactic errors of the works and the exams will be penalized up to a maximum of 2 points in the final grade. Any irregularity committed by a student during the performance of a test (copy, plagiarism) will imply a grade of zero in the specific section of the evaluation. Various irregularities will imply a global score of zero.

The recovery will consist of a global examination of the subject matter and will be held on the official dates established by the Faculty. Under no circumstances may recovery be considered as a means of improving the qualification of students who have already passed the subject in the normal continuous assessment process. The maximum note that can be obtained in the recovery is 5.0 (Approved).
