Assessment

The assesement will draw in three exercices

Two papers and the text analysis of the readings assigned to the topics covered in the course

In the event that tests or exams cannot be taken onsite, they will be adapted to an online format made available through the UAB's virtual tools (original weighting will be maintained). Homework, activities and class participation will be carried out through forums, wikis and/or

discussion on Teams, etc. Lecturers will ensure that students are able to access these virtual tools, or will offer them feasible alternatives

In case of plagiarism:

In the event of a student committing any irregularity that may lead to a significant variation in the grade awarded to an assessment activity, the student will be given a zero for this activity, regardless of any disciplinary process that may take place. In the event of several irregularities in assessment activities of the same subject, the student will be given a zero as the final grade for this subject.

Second chance examination:

The student could submit a second chance examination of the papers with a rating inferior to 5.

Exams and papers review procedure:

During the evaluative process, the lecturer will inform students (Moodle) of the exams and papers review procedure.

The Student will be rated as 'Not assessable' if he/she has not delivered more than 30 % of the evaluation work.
