## Assessment

The evaluation system is continuous and has three parts:

Advertising production (30%). (Recoverable)

Audiovisual advertising campaign (30%). (Recoverable)

Theoretical evaluation test (20%). (Recoverable)

Assistance, intervention and practices of the seminars (20%) (Not recoverable)

For the final mark of the subject will be the weighted average of the evaluation activities even if one of them is suspended (requiring a minimum of 3 in the theoretical test), but not if two are suspended.

Suspended productions or internships will be resubmitted through virtual classrooms during re-evaluation weeks in January. The theoretical evaluation test will have a first call set in the first week of January and a second call set during the re-evaluation weeks.

In the case of a second registration, students will be able to take a single synthesis test that will consist of the deployment of an audiovisual campaign and a written theoretical test. The mark of the subject will correspond to the mark of the synthesis test.
