Makeup tests will take the form of a synthesis exam.

Students will be informed of the proceedings and dates of all score reviews.

About plagiarism:

Complete or partial plagiarism of any of the exercises will make impossible for the student to pass the subject, and will result in a final global "0" grade. PLAGIARISM is the appropriation of one or more phrases from uncredited sources, that a student represents as one's own original work, including phrases or passages taken verbatim from the Internet. It constitutes a serious offense.

In the event of a student committing any irregularity that may lead to a significant variation in the grade awarded to an assessment activity, the student will be given a zero for this activity, regardless of any disciplinary process that may take place. In the event of several irregularities in assessment activities of the same subject, the student will be given a zero as the final grade for this subject.

In the event that tests or exams cannot be taken onsite, they will be adapted to an online format made available through the UAB's virtual tools (original weighting will be maintained). Homework, activities and class participation will be carried out through forums, wikis and/or discussion on Teams, etc. Lecturers will ensure that students are able to access these virtual tools, or will offer them feasible alternatives.
