Use of Languages

Principal working language: spanish (spa)

Prerequisites

To have a Law degree and being enrolled in the Master

Objectives and Contextualisation

Colaboration with a legal firm or any other legal institution (ie Courts, legal department in enterprises)

Competences

- Defend clients' rights within the framework of national and international jurisdictional systems.
- Develop the interpersonal skills that lawyers need in their relations with citizens, other professionals and institutions.
- Present facts and their corresponding legal implications orally and in writing, in a way that is appropriate to the context and the addressees and, where necessary, to the established procedures.
- Put into practice the specialist academic knowledge acquired on the degree programme in order to avoid damage, risk or conflict with respect to clients' interests or regarding professional practice before the courts and other authorities and when offering consultancy services.
- Solve problems in new or little-known situations within broader (or multidisciplinary) contexts related to the field of study.
- Work in specialist interdisciplinary teams.

Learning Outcomes

1. Develop the interpersonal skills that lawyers need in their relations with citizens, other professionals and institutions.
2. Locate, analyse and assess the legislation, case law and scientific doctrine applicable to the case.
3. Present facts and their corresponding legal implications orally and in writing, in a way that is appropriate to the context and the addressees and, where necessary, to the established procedures.
4. Search for, select and appraise the information required.
5. Solve problems in new or little-known situations within broader (or multidisciplinary) contexts related to the field of study.
6. Work in specialist interdisciplinary teams.

Content

Students work in a legal firm or the legal department in any enterprise or public institution even in courts

Methodology

Practical methodology, working in the legal profession

Annotation: Within the schedule set by the centre or degree programme, 15 minutes of one class will be reserved for students to evaluate their lecturers and their courses or modules through questionnaires.
