Prerequisites

It is recommended to have taken and passed the subjects of fundamental concepts, museography and all those related to museology offered by the degree. Priority will be given to students taking the art and management track.

This course is designed to be taken during the last semester of the 4th year of art history, when the student finishes and has passed the maximum number of credits. It is carried out in cultural centers and institutions with which the UAB has internship agreements. The assignment to the centers is made according to the students' own requirements, the tutor's criteria and the physical location of the centers with respect to the student's place of residence.

Internships are generally carried out in the mornings from Monday to Friday, sporadically in the afternoons and on weekends. Check with the center to avoid incompatibilities at a later date.

The student must pay a specific insurance.

For the course *Practiques Externes/Practicas Externas* students must preregister according to a calendar that is made public every year. The calendar can be consulted at the following link:

<https://www.uab.cat/web/estudiar/grados/oferta-de-grados/informacion-1345722453729.html>

Failure to preregister results in the impossibility to register for the course *Practiques Externes/Practicas Externas*. A student will only be assigned an internship position if they have preregistered within the established deadline.
