Some groups entirely in Spanish: Yes

Other comments on languages

There is an indistinct use of castilian and catalan

Prerequisites

There is no previous conditions to follow this subject. Interest in communication is desiderable.

Objectives and Contextualisation

This subject analyse advertising as a global and international phenomenon and focuses in creation, transmission and reproduction of gender stereotypes. Advertising is a huge symbolic mechanism of great social impact. The aftermath of advertising affects the way in which people interprets the world and in daily life of citizens.

Competences

- Analyse the main discursive phenomena related to the construction and expression of gender identities, taking into account the linguistic, social and pragmatic variation.
- Express correctly and in a non-sexist or homophobic manner both orally and in writing.
- Formulate, argue and discuss your own and others' ideas in a respectful, critical and reasoned way.
- Propose integrative speeches and communicative practices from the standpoint of gender equity in audiovisual media and in educational environments.
- Students can apply the knowledge to their own work or vocation in a professional manner and have the powers generally demonstrated by preparing and defending arguments and solving problems within their area of study.
- Students must be capable of communicating information, ideas, problems and solutions to both specialised and non-specialised audiences.

Learning Outcomes

1. Analyze oral interactions and written discourse with a gender perspective.

2. Detect discriminatory stereotypes based on gender or sexual orientation in all types of communication products.
3. Identify the manifestations of the sex / gender system through the representation of female and male identities in the media and advertising.
4. Integrate elements that promote gender equality in advertising campaigns.
5. Prepare an organized and correct speech, orally and in writing, in the corresponding language.
6. Students can apply the knowledge to their own work or vocation in a professional manner and have the powers generally demonstrated by preparing and defending arguments and solving problems within their area of study.
7. Students must be capable of communicating information, ideas, problems and solutions to both specialised and non-specialised audiences.
8. Use non-sexist resources and alternatives in work spaces, education and coexistence.
9. Use the specific technical vocabulary and own interpretation of the required disciplines.

Content

WARNING 1:

In the event of a student committing any irregularity that may lead to a significant variation in the grade awarded to an assessment activity, the student will be given a zero for this activity, regardless of any disciplinary process that may take place. In the event of several irregularities in assessment activities of the same subject, the student will be given a zero as the final grade for this subject.

WARNING 2:

In the event that tests or exams cannot be taken onsite, they will be adapted to an online format made available through the UAB's virtual tools (original weighting will be maintained). Homework, activities and class participation will be carried out through forums, wikis and/or discussion on Teams, etc. Lecturers will ensure that students are able to access these virtual tools, or will offer them feasible alternatives.

REVALUATION:

Students will be entitled to the revaluation of the subject. They should present a minimum of activities that equals two-thirds of the total grading.

To have access to revaluation, the previous grades should be 3,5.

SECOND ENROLMENT:

In the case of a second enrolment, students can do a single synthesis exam/assignment that will consist of an written exam and a analysis of one ad. related to the subject content..The grading of the subject will correspond to the grade of the synthesis exam/assignment.

Assessment Activities

Title	Weighting	Hours	ECTS	Learning Outcomes
Analytical Written Essays about different media products related to the topics developed in the programme	40	0	0	1, 2, 5, 3, 4, 7, 8
Argumentative Written Essays about different topics included in the Programme	40	0	0	2, 5, 4, 7
