Assessment

This subject continues evaluation and does not foresee single evaluation

The activities of the continuous evaluation are: 30% communication plan - 30% benchmark - 40% remainder of exercises and practices

In order to average and approve the subject, both benchmark and communication plan must be approved.

Final grade: To make the average and pass the course it is necessary that both the benchmark and the communication plan are approved.

- Compulsory attendance 80% of the classes.

- Mandatory submission of ALL assignments.

- Very strict timings; assignments more than one week late will not be accepted. Work delivered after the deadline will have a penalty of -1 point to be subtracted from the final grade.

Recovery

Students will be entitled to the revaluation of the subject. They should present a minimum of activities that equals two-thirds of the total grading.

- The recoverable evaluation activities are: the communication plan and the benchmark.

Second enrollment

- Students who re-enroll in the course (repeaters) must take a synthesis test that will be communicated at the beginning of the course.

Plagiarism

In the event that the student performs any irregularity that may lead to a significant variation of an evaluation act, this evaluation act will be graded with 0, regardless of the disciplinary process that could be instructed. In

the event, that several irregularities occur in the evaluation acts of the same subject, the final grade for this subject will be 0.
