Assessment

1. Continuous assessment

1.1. Criteria for the grading the course

In order to pass the course, after completing the three evaluable activities mentioned above and after applying the percentages indicated above, the student must get a final grade equal or greater than 5. If the final grade is

- Less than 3.5, the student will get a failing grade.
- Between 3.5 and 5, the student will be able eligible for re-evaluation.
- Students will obtain a Not assessed course grade unless they have submitted more than 1/3 of the assessment items.

1.2 Re-evaluation criteria

Students who get a final grade between 3.5 and 5 and who have carried out the three assessable activities mentioned above will be eligible for re-evaluation of the course on the date set by the Faculty. If the re-evaluation test is passed, the final grade for the subject will be 5, regardless of the grades obtained before. Students who have passed the course will not be allowed to re-evaluate to increase their grade.

1.3 Evaluation criteria

In order to pass the exam, mastery of the normative is considered essential; therefore, when evaluating the activities mentioned above, spelling errors, incorrect use of punctuation, lexical errors and morphosyntactic errors will be penalized.

1.4 Review procedure for evaluable evidence

After the publication of the grading of the evaluable activities mentioned above, the teacher will inform the students through Moodle of the day and time for the review of such activities.

1.5 Misconduct in assessment activities

In the event of a student committing any irregularity that may lead to a significant variation in the grade awarded to an assessment activity, the student will be given a zero for this activity, regardless of any disciplinary process that may take place. In the event of several irregularities in assessment activities of the same subject, the student will be given a zero as the final grade for this subject.

2. Single assessment
