Teaching groups languages

You can check it through this [link](#). To consult the language you will need to enter the CODE of the subject. Please note that this information is provisional until 30 November 2023.

Prerequisites

To have a Law degree and being enrolled in the Master

Objectives and Contextualisation

Colaboration with a legal firm or any other legal institution (ie Courts, legal department in enterprises)

Learning Outcomes

- CA08 (Competence) Interact appropriately with members of the general public, institutions and other professional practitioners.
- CA10 (Competence) Uphold professional secrecy and confidentiality in relation to matters on which one is entrusted.
- CA11 (Competence) Do professional work in specialised and interdisciplinary teams.
- KA09 (Knowledge) Identify judicial acts that require notarial intervention in order to take effect and those that require official registration.
- SA25 (Skill) Appropriately and neutrally make use of the most suitable techniques for resolving disputes in different situations and contexts.
- SA38 (Skill) Effectively and correctly issue notices to and on behalf of the parties involved in a process.
- SA39 (Skill) Become familiar with the incorporation of the deontological duties and rights of persons serving as lawyers or attorneys in relations with clients, other parties (not only opponents, but also those who have different interests), courts, public authorities and other professional practitioners.

- SA40 (Skill) Learn how to identify situations of conflict of interest that might occur in professional practice and how to proceed in relation to clients and also eventually to any other professional practitioners that might be involved.

Content

Students work in a legal firm or the legal department in any enterprise or public institution even in courts
