Continuous assessment.

1. Two tests: 30 % of the final grade each.
2. One or two practical essays: 40% of the final grade.

Single assessment.

Synthesis test 1: 30%.

Synthesis test 2: 30%.

Essay(s): 40%.

There will be a unique date for the completion and delivery of the assessment tests. This date will be announced during the first week of class, both in the classroom and through the Virtual Campus.

The marks below 3,5 will not add in the calculation of the average. To pass the course a minimum mark 5 will be required. To participate in the re-avaluation process students must have been previously evaluated in a set of activities whose weight equals to a minimum of 2/3 parts of the total grade.

In the event of a student committing any irregularity that may lead to a significant variation in the grade awarded to an assessment activity, the student will be given a zero for this activity, regardless of any disciplinary process that may take place. In the event of several irregularities in assessment activities of the same subject, the student will be given a zero as the final grade for this subject.
