## Teachers

Mercedes Lafarga Farrera

## Teaching groups languages

You can view this information at the [end](#) of this document.

## Prerequisites

The student, as a ECE teacher must have a good oral and written command of Catalan and Spanish languages (level N2 from UAB exams or C2 of the Common European Framework of Reference). It is highly recommended to have attend to the course Didactics of the written language and the literature in children's education.

## Objectives and Contextualisation

The course Narrative and Poetry in Early Childhood Education provides an insight into the use of literature for Children from the first months until they can read alone. The course focuses especially on the development of the dinamisation of literacy and fictional literacy skills: to know the best literary products and folklore materials for this age (picturebooks, tales, nursery rhymes, language spelling games, oral narration). The course will also take into account different activities to improve the comprehension of picturebooks, poetry, rhymes, written narration, digital narration and visual representations. The aim of the course is to offer the students strong selection criteria tools for choosing books in different formats (printed and on screen). The course will also prepare the students to develop literary projects and to design literary activities on their own according to different educational objectives. The course it proposes as well a familiarization with a broad panorama of bibliographic and digital resources, both for children's production and sources to support the future teachers.

## Competences

- Acquire literary education and especially get to know children's literature.
- Demonstrate knowledge and understanding of the aims, curricular contents and criteria of evaluation of Infant Education
- Demonstrate knowledge of the evolution of the educational implications of the information and communications technology and in particular of television in early childhood.
- Know and master oral and written expression techniques.
- Know and properly use resources to encourage reading and writing and develop strategies for use of the school library.
- Promote speaking and writing skills.
- Properly express oneself orally and in writing and master the use of different expression techniques.
- Recognize and evaluate the social reality and the interrelation between factors involved as necessary anticipation of action.
- Take sex- or gender-based inequalities into consideration when operating within one's own area of knowledge.
- Understand oral tradition and folklore.

## Learning Outcomes

1. Adequately express oneself orally and in writing, and master different techniques of narration, recitation and animation of texts for children.
2. Consider how gender stereotypes and roles impinge on the exercise of the profession.
3. Design activities that promote language skills in children.
4. Design practices that encourage reading and literacy for educational purposes.
5. Evaluate the interrelationships between social context, family and school in planning literary activities at school.
6. Frame the contents of the subject in the activities of infant education.
7. Incorporating into narration and the dramatisation of texts the oral expression techniques that help children appreciate these.
8. Know and appreciate the characteristics of audiovisual and digital literary products for children.
9. Know and use children's literature for educational goals at school.
10. Understand oral tradition and folklore and know how they used in the education of children.
11. Using varied and appropriate techniques for literary, oral and written activities with children.

## Content

### SECTION A. Corpus and Support Sources

1. Familiarization with the current production that guarantees the literary quality in different formats and typologies for children aged between 0 and six years old (Pop-Up books, Playbooks, Ethnopoetic material, fairy tales, picturebooks, audiovisual, digital literature, and so on).
2. The use of digital and bibliographical sources for the corpus selection and the design of literary activities.

### SECTION B. Workshop

3. Establishment of personal corpus according to each age range.
4. Knowledge how to design literary activities within a project, by choosing the educational objectives, areas of action, target and type of texts.
5. Acquiring Techniques and knowledge to design literary activities: storytelling workshop, expressive reading, drama, conversations, poetical games, literary projects, and so on.

## Activities and Methodology

Title	Hours	ECTS	Learning Outcomes
Type: Directed			
Guided activities	45	1.8	1, 3, 8, 9, 11
Type: Supervised			
Supervised	20	0.8	
Type: Autonomous			
Autonomous	85	3.4	1, 3, 8, 9, 11

The methodology of the subject presupposes that the student is the protagonist in the process of teaching and learning. The course is based as a workshop form on various materials and a varied typology of group and individual activities that will allow students to carry out and experiment a wide range of classroom practices, through which the contents of the course will be developed. the subject

Students will also have to prepare autonomous and group activities outside the classroom as works of the subject in the regulated proportion for all subjects according to the number of credits.

It is highly recommended to have a good level in Catalan and Spanish language (C2 or equivalent).

Our teaching approach and assessment procedures may be altered if public health authorities impose new restrictions on public gatherings for COVID-19

Annotation: Within the schedule set by the centre or degree programme, 15 minutes of one class will be reserved for students to evaluate their lecturers and their courses or modules through questionnaires.

## Assessment

### Continous Assessment Activities

Title	Weighting	Hours	ECTS	Learning Outcomes
Literary Project for ECE	40%	0	0	1, 3, 4, 5, 6, 7, 8, 9, 10, 11
Two individual activities about picturebooks analysis (30%) and academic texts for ECE (30%)	60%	0	0	1, 2, 8, 9

### Continuous Assessment

The evaluation of the course will be split into the two major sections and that they must be passed independently (with a 5 over 10 each) so that they can make an average and derive in the final overall mark. Within each section, the evaluation will be carried out through the mechanisms and activities that are shown in the following grid:

- Two individual activities on the selection and analysis of picturebooks (30%) and academic texts (30%). These individual activities will be made during the period 4th March until 3rd June 2025.

- A Group literary project (40%) that will be made during the period from 27th May to 17th June 2025.

The date of reevaluation and resubmission of the assignments will be from 24th of June until 1st July 2025.

The assessment will be carried out: (a) continuously throughout the course, and (b) by means of the final correction of the activities and works. Qualifications will be made public in the moodle within 20 days after delivery. The student who wishes to review the mark will have to do it in the two weeks after his communication in the tutorial hours of the teaching staff, included in the program. Copying and plagiarism of any kind will imply, in all cases, a zero in the whole course.

Participation, active listening and punctuality will be considered essential.

Attendance to face-to-face classes is mandatory: 80% attendance is the minimum to be entitled to the assessment; Otherwise, it will be considered not assessable. With this prior condition, the evaluation will be carried out through the evaluation activities described. We will ensure, on the other hand, that the texts delivered throughout the course as well as the final work are free of plagiarism; in the event that we detect plagiarism (through programs that detect it, for example) that work will be automatically rejected.

To pass the subject, all activities must be presented and passed. No presentation, work, written activity or oral activity that does not show a good command of the Catalan language will be approved.

The results of each one of the evaluations will be returned to the students within a maximum period of 3 weeks after delivery, and a review date will be offered within 10 days of its publication.

Unique and Single Assessment:

This course accepts unique assessment modalities. Hereby are the planned assignments:

- Elaboration of an individual literary criticism (25%)
- Elaboration of an individual poster (25%)
- Elaboration of a literary project (35%)
- Interview (15%)

All the assignments have to be submitted 17th of June 2025. To resubmit the assignments the same criteria as the continuous assignment will be maintained. The mark revision will be the same as the continuous assignment policies. The attendance to the course is compulsory by 80%.
