Language of instruction

Bachelor's Degree in Tourism (GT / GTA): French

The methodology is basically interactive. The students put all their knowledge of the language into practice in order to accomplish a set of oral and written tasks, both of a general nature and specifically related to tourism. The emphasis is placed on the learning process rather than on theoretical input from the teachers.

In this subject:

- Classes include a gender perspective to promote equality between women and men and avoid producing gender stereotypes.
- Strategies to promote the participation of women in the classroom are used and they promote equal gender relations.
- Knowledge of the social and cultural differences between men and women and gender inequalities in the structure of society and in cultural production is offered.

– Knowledge is also offered on sexual and emotional diversity, gender identity and expression, knowledge and reflection on feminist thought and movements, the history of movements for women's rights, its evolution and critical repercussions in society, culture and philosophical and scientific thought, and the knowledge of the values of gender equality in professional practices.

– Non-sexist and non-androcentric language is used in written, visual and audiovisual documents and other class materials. Since this is a language class specific resources are also provided in the language being studied for non-sexist language and critical reflection is encouraged on non-sexist language and its uses.

Annotation: Within the schedule set by the centre or degree programme, 15 minutes of one class will be reserved for students to evaluate their lecturers and their courses or modules through questionnaires.

ASSESSMENT SYSTEM

The course is assessed by continuous assessment or single assessment. At the beginning of the course, students must choose the assessment system they want to undertake and this cannot be modified later. The two assessment systems are detailed below:

1. **Continuous assessment system**

For continuous assessment, students must certify a minimum attendance at classes of 80%.

The continuous assessment system is divided into:

- Activities: 60% of the grade
- Final examination: 40% of the grade

The grade for the subject will be NOT EVALUABLE when the student attends less than half of the assessment activities and/or does not attend the final exam.

1. **A. Continuous assessment activities: 60% of the grade**

Writing. Between 2 and 5 essays are done. The teaching staff may request the correction of the original wording by the students if they wish.

Dossier. The dossier contains between 6 and 8 activities, which can assess the four language skills. The activities can be done at home or in class. Below are examples of activities that can be included as dossier activities:

Transformation of sentences

Mini tests

Exercises

Information search

Document production

Speaking activities. Throughout the course, there is at least one speaking activity and a maximum of two. This activity can be individual or in group. Depending on the level speaking activities can be monologues, dialogues, presentations, etc.

Control tests. During the course, one or more tests are held, which can be a written expression test and an oral expression test.

Attitude and participation. Student effort, attitude and participation are assessed.

1. B. Final continuous assessment examination: 40% of the grade.

This final examination consists of two parts: oral expression and written expression. It is held on the same day and time as the final examination for single assessment.

To pass the course, a minimum overall grade of 50% must be obtained between continuous assessment activities and a final examination. If this grade is not attained, you may have the right to resit (see conditions).

The equivalences of the overall grade are set out in the table below:

Overall grade	Numerical grade out of 10 on SIGMA	Pass grade
92.45-100	10	A
87.46-92.45	9.5	A
83.46-87.45	9	A
80.46-84.45	8.5	B
76.46-80.45	8	B
72.46-76.45	7.5	B

69.46-72.45	7	B
64.46-69.45	6.5	C
59.46-64.45	6	C
54.46-59.45	5.5	C
50-54.45	5	C
44.46-49.45	4.5	Fail with right to resit
39.46-44.45	4	Fail with right to resit
34.46-39.45	3.5	Fail with right to resit
29.46-34.45	3	Fail
24.46-29.45	2.5	Fail
19.46-24.45	2	Fail
14.46-19.45	1.5	Fail
9.46-14.45	1	Fail
4.46-9.45	0.5	Fail
0-4.45	0	Fail

Reassessment of continuous assessment

Students who obtain between 3.5 and 4.999 of global grade have the right to recovery, which consists of repeating those parts of the final test of continuous assessment that students have below the overall average grade, that is, those parts that are below 60%.

1. 2. Single assessment system

Single assessment is based on a two-part final examination: an oral expression part and a writing part that are held on the same day and time as the final examination for the continuous assessment.

The written part consists of a written expression test and a test of grammatical and lexical knowledge.

To pass the final exam and pass the course, the following is required:

Obtain a minimum grade of 50% in each part of the exam;

Obtain a minimum total grade of 60% between all parts of the final examination.

If these grades are not attained in the examination you may have the right to resit (see conditions).

With this system, the final grade of the subject is assigned in accordance with the following equivalence table:

Final grade	Numerical grade out of 10 on SIGMA	Pass grade
97-100	10	A
93-96.99	9.5	A
89-92.99	9	A
85-88.99	8.5	B
81-84.99	8	B
77-80.99	7.5	B
73-76.99	7	B
69-72.99	6.5	C
66-68.99	6	C
63-65.99	5.5	C
60-62.99	5	C
55-59.99	4.5	Fail with right to resit

50-54.99	4	Fail with right to resit
43-49.99	3.5	Fail with right to resit
36-42.99	3	Fail
30-35.99	2.5	Fail
24-29.99	2	Fail
18-23.99	1.5	Fail
12-17.99	1	Fail
6-11.99	0.5	Fail
0-5.99	0	Fail

Resit for single assessment

When students opt for single assessment, the resit will be the same as that for the rest of the students, that is, you have to obtain between 3.5 and 4.999 in the set of tests and work submitted for the single assessment.

Resit consists of repeating those parts of the exam in which students have obtained a grade below the overall average, that is, those parts that are below 60%.

Change of exam date

Examinees who are unable to attend the exams on the established dates for medical, work (travel or other similar obligations) or humanitarian reasons may request a change of date from the teaching staff, *providing the necessary documentation* and (except in extreme cases such as accidents) at least seven calendar days in advance. Where this change is permitted, the exams will always take place within the period established by the University School of Tourism and Hotel Management.

Other aspects of assessment

No level certificates are issued.
