Written comprehension exam	10 %	3	0.12	SM42, SM44, SM46, SM48, SM50, SM52, SMU42, SMU44, SMU46

The assessment is continuous (100%) and it is based on the following sections:

-Continuous evaluation (100% of the final grade):

a) Active participation in class, understanding activities, written and oral expression. Attendance will also be taken into account. (= 15%).

b) Test 1 (20%).

c) Test 2 (35 %)

d) Written comprehension (10 %)

e) Oral exam (15 %)

All Italian language skills will be assessed: grammar, oral and written comprehension and expression. The participation considers an active class participation, the realizations of written activities and the exercises proposed by the teacher in the Virtual Campus and those indicated in the online workbook. Moreover, will be taken into account the attendance to extracurricular cultural activities related to the subject (reading club, writing workshop, exhibitions, etc.) that may be proposed by the teacher.

To be evaluated (or to obtain the possibility for a make up exam), the student must have been evaluated in a set of activities the weight of which is equivalent to a minimum of 2/3 of the total of the exams.

The student will receive a grade of No evaluable if he/she has not completed more than 30% of the evaluation activities.

Only students who, having failed, have at least a final grade of 3.5, have the right to a make-up (total or partial, as appropriate).

Class Participation and all other class activity are excluded from a make-up.

A make-up exam will be an exam related to the part that needs to be re-evaluated (test 1, test 2, written comprehension and oral test).

A student must pass each of the make-ups (test 1, test 2, written comprehension and oral test) in order to have the right to be fully evaluated.

Students must inform themselves on all the class activities and exams. The professor is not responsible.

For each exam, the teacher will inform the student (Moodle) on the procedure and date of revision of the grades.

Grading criteria are decided by the professor and, eventually, shared by the entire teaching team.

The make-up exam schedule can not be modified.

In case the student makes any irregularity that may lead to a significant variation of the grade of an exam, this will be graded as 0 and will be excluded from a make-up, regardless of the disciplinary process that may follow. In case of several irregularities in the exams of the same subject, the final grade of this class will be 0.

This subject/module does not incorporate single assessment.

It is possible to take elective courses in Italian for the minor. Information and a list of Italian classes can be found here:

At the beginning of the course, the teacher will indicate and make available to the students the supplementary materials for the classes.

Throughout the course the teacher will indicate the compulsory reading texts.

As a complement you can consult grammars such as Nocchi's and Carrera Díaz's, written in Spanish and addressed to a Spanish public (with attention to the comparison of languages and contrasting phenomena, etc.). Three bilingual good dictionaries are Arqués (for Catalan) and Arqués-Padoan and Calvo-Giordano (for Spanish).

ATTENTION: It is important to be sure to purchase an edition with an access code to the online website (some versions purchased online or second-hand do not allow this). There is also the option to purchase the electronic version of the manual.
