## Assessment

### Continuous Assessment Activities

Title	Weighting	Hours	ECTS	Learning Outcomes
Oral and written exams	70% (30% + 40%)	6	0.24	1, 5, 4, 3, 2, 15, 14, 7, 12, 11, 10, 9, 6, 13, 8
Portfolio	30%	3	0.12	1, 5, 4, 3, 2, 15, 14, 7, 12, 11, 10, 9, 6, 8

### Continuous Assessment

Students must provide evidence of their progress by completing tasks and tests. Task deadlines will be indicated in class.

Assessment activities consist of:

Portfolio (30%)

- vocabulary, grammar, pronunciation, writing tests
- written and oral exercises

Exams (70%)

There will be two exams, a mid-term exam and a final exam at the end of the semester.

In the case of retaking an exam (or retaking or compensating for any other assessment activity), the highest mark that can be obtained is 5/10.

Related matters

All information on assessment, assessment activities and their weighting is merely a guide. The subject's lecturer will provide full information when teaching begins.

## Review

When publishing final marks prior to recording them on students' transcripts, the lecturer will provide written notification of a date and time for reviewing assessment activities. Students must arrange reviews in agreement with the lecturer.

## Missed/failed assessment activities

Students may retake assessment activities they have failed or compensate for any they have missed, provided that those they have actually performed account for a minimum of 66.6% (two thirds) of the subject's final mark and that they have a weighted average mark of at least 3.5.

The portfolio cannot be retaken or compensated for. Under no circumstances may an assessment activity worth 100% of the final mark be retaken or compensated for.

The lecturer will inform students of the procedure involved, in writing, when publishing final marks prior to recording them on transcripts. The lecturer may set one assignment per failed or missed assessment activity or a single assignment to cover a number of such activities.

## Classification as "not assessable"

In the event of the assessment activities a student has performed accounting for just 25% or less of the subject's final mark, their work will be classified as "not assessable" on their transcript.

## Misconduct in assessment activities

Students who engage in misconduct (plagiarism, copying, personation, etc.) in an assessment activity will receive a mark of "0" for the activity in question. In the case of misconduct in more than one assessment activity, the students involved will be given a final mark of "0" for the subject.

Students may not retake assessment activities in which they are found to have engaged in misconduct. Plagiarism is considered to mean presenting all or part of an author's work, whether published in print or in digital format, as one's own, i.e. without citing it. Copying is considered to mean reproducing all or a substantial part of another student's work. In cases of copying in which it is impossible to determine which of two students has copied the work of the other, both will be penalised.

## Single assessment

This subject may be assessed under the single assessment system in accordance with the terms established in the academic regulations of the UAB and the assessment criteria of the Faculty of Translation and Interpreting.

Students must make an online request within the period established by the faculty and send a copy to the teacher responsible for the subject, for the record.

Single assessment will be carried out in person on one day during week 16 or 17 of the semester. The Academic Management Office will publish the exact date and time on the faculty website.

On the day of the single assessment, teaching staff will ask the student for identification, which should be presented as a valid identification document with a recent photograph (student card, DNI/NIE or passport).

## Single assessment activities

The final grade for the subject will be calculated according to the following percentages:

Oral exam 20%

Written essay 40%

Exam about other skills 30%

Portfolio 10%

Grade revision and resit procedures for the subject are the same as those for continual assessment. See the section above in this study guide.
