Learning activities and methodology

Title	Hours	ECTS	Learning outcomes
Tutorials	2.5	0.1	9
Portfolio and projects	81	3.24	1, 2, 3, 5, 6, 7, 8
Classes	60	2.4	1, 2, 3, 4, 5, 6, 7, 8, 9

Teaching language: English

A modified version of the communicative approach is used: small groups performing communicative tasks, with a balance between learning grammatical structures and linguistic functions while paying equal attention to the four language skills but without forgetting the peculiarities of a language course designed for hotel management students.

Classroom activities include debates, reading articles on the hospitality sector and of general interest, grammar exercises and vocabulary, listening comprehension exercises, reading concordance sheets (data-driven learning), writing assignments, cooperative learning, work in closed pairs, discovery learning and role playing. Prior to each class, participants should consult the Virtual Campus ("Notícies" followed by "Links" o "Materials") for reading material about the hospitality sector or general issues with a view to contributing to debate in class.

Annotation: within the schedule set by the centre or degree programme, 15 minutes of one class will be reserved for students to evaluate their lecturers and their courses or modules through questionnaires.

Document production

The days scheduled by the school for mid-term exams may be used to carry out dossier work; for example short reading or listening tests.

3. First semester test. A mid-term exam is held during the periods scheduled by the school for exams, one of which will be a written test (two tasks) while the other one will be a listening test. The format should be similar to the final exam.

4. Second semester test

A minimum class attendance of 80% is required to be able to participate in continuous assessment.

Official level test at ***UAB Idiomes***

All course participants must sit the *UAB Idiomes* multilevel test and attain a B2 level (compulsory to pass the subject). In addition, the test is the final exam for those who do not pass continuous assessment. A B2 level must be attained to be able to pass the course with a 5.0 Pass.

Single-assessment option

The single assessment option to pass the course is based on the successful completion of the aforementioned Multilevel Exam at level B2. This exam is held on the same day as the final exam.

Reassessment for the single-assessment option

When students are evaluated by means of single assessment, the examination will be the same as that of the rest of the students: that is, in order to be eligible for the reassessment exam, it is necessary to obtain at least a final mark of 3.5 in the single assessment in accordance with that Multilevel test/SIGMA equivalence tables at Servei de Llengües de la UAB.

Changing the exam date

Students who cannot take the exam on the set dates due to health, work (trips or other similar obligations) or on compassionate grounds may ask their teacher for a change of date, supplying any necessary documents, and giving notice of at least seven calendar days except in extreme cases such as accidents. If the request is accepted, the exams must still be taken within the period set by the School of Tourism and Hotel Management.

The Grade ***Not Evaluable***

The grade for the subject will be NOT EVALUABLE when the student attends less than half of the assessment activities and/or does not attend the final exam.

Academic misconduct

In the event of a student committing any irregularity that may lead to a significant variation in the grade awarded to an assessment activity, the student will be given a zero for this activity, regardless of any disciplinary process that may take place. In the event of several irregularities in assessment activities of the same subject, the student will be given a zero as the final grade for this subject.
