test	50%	2	0.08	KA02, KA03, SA10

- 50% (up to 5 points) Official-format multiple-choice exam (25 questions plus 2 reserve questions, 4 answer options, only one correct, with a 0.33-point penalty for incorrect answers). A minimum score of 4 out of 10 on the test is required to pass the course. In case of failure, a re-assessment opportunity is available.

- 50% (up to 5 points) Continuous assessment:

a) Three graded practical activities: drafting legal documents, solving case studies, etc., scheduled on dates published in the course calendar at the beginning of the semester (up to 3 points).

b) Various short quizzes: brief questions, multiple-choice tests, etc., conducted in most sessions, on a surprise basis, without prior notice of dates or times (up to 2 points).

Students may skip up to a maximum of three quizzes within the criminal litigation module.

Absences from these activities, whether justified or not, cannot be made up. This rule may only be waived in exceptional cases (e.g., extended absences due to health or similar serious reasons).

Re-assessment: test only.

Single assessment

Students who choose the single assessment system will be evaluated based on the following components:

- Multiple-choice exam with 50 questions (50% of the final grade)
- Completion of two procedural legal documents (e.g., appeal, complaint, lawsuit, criminal report, etc.) (50% of the final grade)

The second test will last between 4 and 5 hours and will take place at a time specifically scheduled by the module coordinator. During this exam, students may consult legal texts but may not access digital or online resources.
