# Library service website

The screenshot shows the UAB Library Service Website. The header includes the UAB logo and 'Servei de Biblioteques'. A navigation bar contains 'Libraries', 'Resources', 'Services', 'Forms', 'Social networks', and 'Collections and equipment'. The 'Resources' tab is highlighted with a red circle. Below the navigation bar, there is a banner for 'Mendeley Premium training courses' with a red circle around the 'MENDELEY' text. To the right, the 'Catalog' section is highlighted with a red circle, featuring a search bar, 'UAB' and 'CCUC' buttons, and links for 'Search by author, title and others' and 'My account'. Below the banner, there are three columns: 'Libraries' (with 'Science and Technology Library' circled in red), 'Students' (with 'Presentations' circled in red), and 'Teachers' (with 'How to publish in open access' circled in red). A 'Direct Links' section on the right is also highlighted with a red circle, containing 'Access from off campus', 'Courses', 'Course bibliography', 'Mendeley Premium', 'RefWorks (ends 31-12-13)', 'E-Journals', and 'Interlibrary loan'. At the bottom, there is a row of icons for 'Help', 'Accreditation', 'DDD', 'Exhibitions', 'Schedules', 'Maps', 'Press', 'Thesis', 'Trobador', and 'Tutorials'. The footer contains the address: 'Edifici N (Plaça Cívica) 1st floor 08193 Bellaterra (Cerdanyola del Vallès)' and 'Phones Contact', along with a 'pregunt@' email icon and 'Servei d'Informació de les biblioteques - UAB'.

# Off-campus access

The screenshot shows the UAB ARE login page in a Mozilla Firefox browser. The page title is "ARE Accés als Recursos Electrònics". The main content area contains a login form with fields for "NIU" and "Paraula de pas", and an "Enviar" button. Below the form, there is a link to the login URL: <http://login.aren.uab.cat/login>. A blue button labeled "ARE Accés als Recursos Electrònics" is also visible. Red annotations include: a circle around the login form with the text "Here, your UAB credentials"; a circle around the blue button with the text "Drag & drop to your web browser (bookmark toolbar)"; and a red arrow pointing from the text "Essential to get paywall papers from off-campus" to the "ARE" text in the page title.

# Off-campus access

# Do you really need a global search?

The screenshot shows a web browser window displaying the UAB TROBADOR website. The browser's address bar shows the URL: `implus.hosted.exlibrisgroup.com/primo_library/libweb/action/search.do?dscont=0&dstmp=1384777104984&vid=34CBUC_UAB_V1&vid=34CBUC_UAB`. The website header includes the UAB logo and the TROBADOR logo. Below the header, there are navigation links: "New search", "Find Databases", "e-Books", "e-Journals", and "Language: English". A search bar is present with a dropdown menu set to "Trobador+" and a "Search" button. Below the search bar, there is a description of Trobador+ as a one-stop solution for accessing UAB electronic library resources. To the right, there are three buttons: "Sign in to access full functionalities", "Off-campus access", and "Resources for study and research". Below the description, there is a "Tweets" section showing two tweets from BDIGITAL UAB. At the bottom, there are four service tiles: "CATALOG" (Access to UAB Library catalog), "DDD" (Digital Repository of Documents of UAB), "REFWORKS" (Attention: available since 2013-12-31, Access to new manager Mendeley), and "PREGUNT@" (Questions and suggestions). The footer includes "Libraries of UAB", "Contact Us", and a checkbox for "Update my screen automatically". The Windows taskbar at the bottom shows the system tray with the time 13:19 and date 18/11/2013.

Do you really need a global search?

Servicio a disposición de la comunidad científica en evolución hacia un nuevo modelo colaborativo a nivel de optimización, responsabilidad de uso y copago del mismo

  
Acceso a la **WOK**

Impulsar la visibilidad y posicionamiento de la producción científica española incrementando el impacto internacional.

## Servicios

## Destacado

## Noticias

- ▶ Segundo ciclo de formación presencial 2012 de la Web of Knowledge
- ▶ Corte temporal del módulo de administradores
- ▶ Nueva versión de la Web of Knowledge 5.7 para el próximo 5 de agosto
- ▶ Formación online impartida por Thomson Reuters
- ▶ Doce nuevas revistas científicas españolas se incorporan al Journal Citation Reports (JCR) de 2011

[Más Noticias](#)

# What?, Where?, Why? How?

Main criteria:

- Subject scope (is your area of expertise well covered?)
- Document type (papers, reviews, proceedings, patents, etc.)
- Time and geographical coverage

Take a look at the [table with the main characteristics](#) of the major literature databases (Source: Faseb Journal, 340 Vol. 22 February 2008)

## Minimum requirements:

- Bibliographic information
- Searching and filtering functionalities
- Downloading functionalities (BibTex)
- Must be linked to your library collection

Does your library have the original papers, online or printed?

[UAB - Biblioteca Digital](#)

## Beyond the minimum:

- RSS and email alerts
- Customization
- Apps

An individual account is required

# Academic search engines

Cite  
Seer  
X *BETA*

Google  
acadèmic

# To remember:

- Access to full text papers depends on the subscribed licences
- Literature databases can help you finding reliable and suitable scientific information
- Think about the resource profile before starting a search
- Linked to the library collection

So, how can I manage so much information?

**EndNote** Web  
The Web-based Research & Writing Tool

 **RefWorks**

## Part C:

About DDD, your first step into the OA research repositories

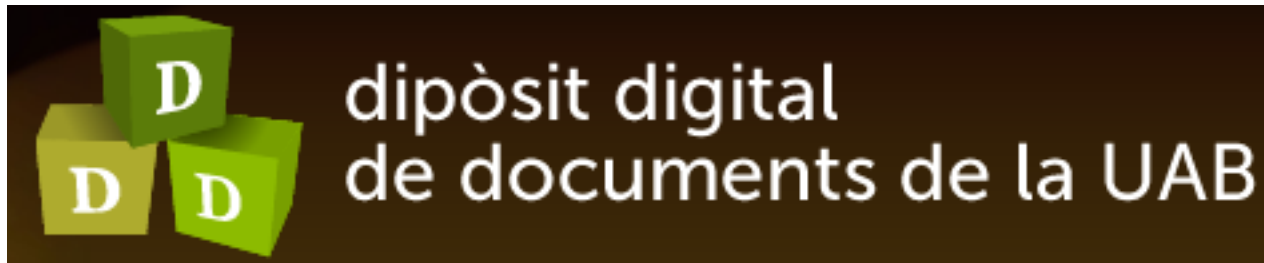

# What's Open Access

Make publicly available the academic output, free or charge and respecting the intellectual property .

# What's DDD

# Advantages of OA

- More **visibility** for authors and for institutions
- Favors the **impact** of research results
- Guarantees the **preservation** and conservation

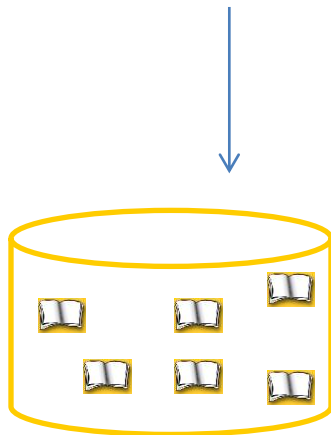

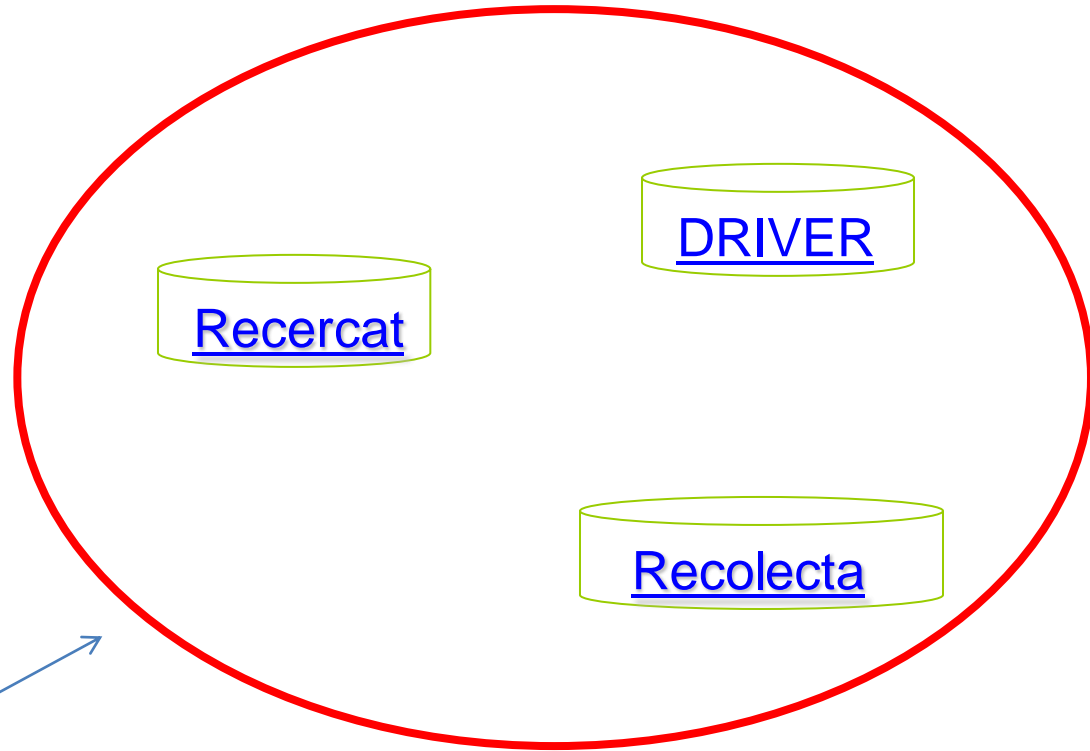

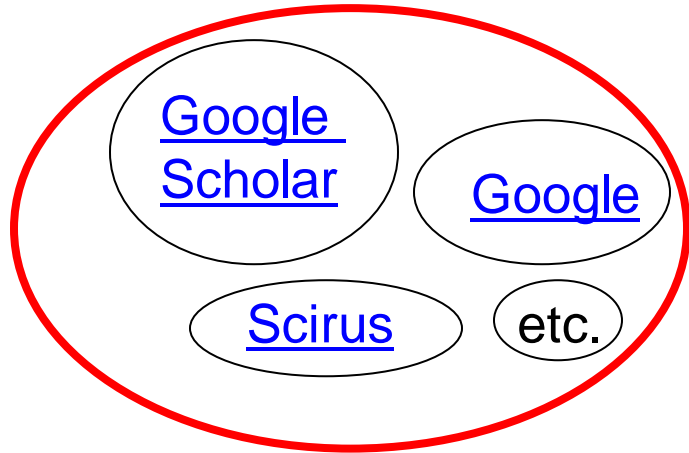

[ddd.uab.cat/collection/trerecpro](http://ddd.uab.cat/collection/trerecpro)

## And ...

- Stable and public platform for published and unpublished documents
- Permanent URL (handle system for digital objects)
- Standard metadata (interoperability)
- Full text search
- Customized stats

# Spreading your work

## Search engines

**large scale repositories (only metadata)**

**DDD (content & metadata)**

# About the intellectual rights

cc\_by-nc-nd\_3.0

This license is the most restrictive of our six main licenses, only allowing others to download your works and share them with others as long as they credit you, but they can't change them in any way or use them commercially.

# How to

- Give your permission to the UAB to preserve it and make it publicly accessible
- Before upload the thesis:
  - Reviewed by your director/tutor
  - Basic data: author identification, abstract, keywords
  - Bring the thesis to the library in the required format (.pdf)

# Keep in touch with your library

**@bctuab**

# Thank you!
