

ddd.uab.cat/record/105933

The UAB library resources for the *MSc in Bioinformatics for genomics and drug design*

1st part: [About the library resources for academic works:](#)

A- Library service: a general overview

B- Introducing you some reliable information sources on Bioinformatics (*omics*, HPC, modelling, etc.)

C- About DDD, your first step into OA research repositories

2nd part: [Introducing you Refworks as a bibliographic tool](#)

(Write and Cite example)

Links to bare in mind for your research work

Library Catalogues (UAB & PUC)

- [UAB website and borrowing service](#)
- [Consortial borrowing service \(PUC\)](#)

Major bibliographic databases

- [SCOPUS](#) (peer reviewed/refereed journals journals)
- [ISI WEB OF KNOWLEDGE](#) (peer reviewed journals)
- [Scifinder](#) (peer reviewed journal in Chemistry, Molecular Biology, Farmacology, etc.)
- [PubMed](#) (public, peer reviewed journals in Bioscience & Medicine)) / [PubMed](#) (linked to the UAB Library collection) / [PubMedCentral](#) / [Europe PubMed Central](#)

Pubmed 1: Cerca simple
Pubmed 2: Cerca avançada
Pubmed 3: Cerca amb MeSH
Pubmed 4 : Gestionant els resultats
Pubmed 5 : Exportació de resultats

[Com accedir a PubMed com a usuari de la UAB?](#)

- [Mathscinet](#) (peer reviewed journals in Math)
- [Zentralblath](#) (peer reviewed journals in Math)

Search engines

- [Google Scholar](#)
- [Trobador](#) (global search in all UAB available sources)

Major online paywall books and journals (full text platforms)

- [IEEE Xplore](#) (IEEE/IET Electronic Library)
- [ACM DL](#) (Association for Computing Machinery)
- [LNCS](#) (Lecture Notes in Computer Science, Springer)
- [LNCIS](#) (Lecture Notes in Control and Information Sciences)
- [Wiley Online Library](#)
- [Engineering Village-Referex](#) (Elsevier)
- [SpringerLink](#)

Getting [off-campus](#) access

Science and Technology Library

- [Directory](#)
- [BCTOT](#), the library blog site
- [@Bctuab](#)
