The Search Tool

Tool that allows the simultaneous search of **all the resources** of the UAB Libraries, **both printed and electronic**, offering **access to the full text**.

You can search articles, books, book chapters, databases, etc. at the same time

Off campus: NIU y PW

News

A screenshot of the UNWTO eLibrary website. The header features the UNWTO logo and the text "eLibrary". Below the header, there are several news items with titles and short descriptions. The text is small and partially obscured.

Access to the World Tourism Organization's eLibrary

Full access to the UNWTO eLibrary for the university community

A logo for "Reobrim el PUC" (Prestec Consorci). It features the text "Reobrim el PUC" in a stylized font, with "PRESTEC CONSORCI" written below it. To the right, there is a small icon of a book.

Search libraries

A screenshot of the library search interface. At the top, there is a green bar with the text "Search" and a magnifying glass icon. To the right of this bar is a red-bordered button labeled "My account" with a person icon. Below the search bar is a white input field with the placeholder text "Search by topic, author, journal title, book title, etc." and a green "Search" button with a magnifying glass icon. At the bottom, there is a dark navigation bar with several menu items: "Journals", "Databases", "University repository (DDD)", "Reading lists", and "More information".

The image shows a screenshot of the UAB library website. At the top, there is a green navigation bar with the logo 'Biblioteques UAB' and several menu items: LIBRARY SEARCH, JOURNALS, DATABASES, CITATION LINKER, BROWSE SEARCH, and PURCHASE REQUEST. A search bar in the center contains the text 'UNITED STATES ECONOM OIL'. Below the search bar, there is a yellow banner with the text 'Sign in to get complete results and to request items' and a 'Sign in' button. On the right side of the banner, there is a 'DISMISS' button. Below the banner, there is a section titled 'Tweak your results' with options for 'Expand My Results', 'Sort by Relevance', and 'New Records'. A search result is displayed, showing an article titled 'Diversification of economy - an insight into inclusive growth & food security with special reference to Pakistan's agriculture econom'. To the right of the search results, there is a 'Login' modal window. The modal window has the title 'Login' and the text 'You are login to... BibCercador'. It features a green button labeled 'Login with your UAB account'. Below the button, it says 'The format of your UAB account is NIU@uab.cat'. There are two input fields: one for the email address 'NIU@uab.cat' and one for the password 'PASSWORD'. The modal window also includes a list of frequently asked questions and contact information for the 'Centre d'Atenció i Suport - CAS'.

Tools for searching

Boolean Operators:

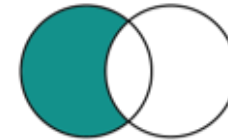

AND (I,Y,&)

Returns documents **that contain both terms.**

OR (+, O)

Returns documents that contain **any one of the terms.**

NOT (-, AND NOT)

Returns documents that **contain one term, but excludes all those that contain the other one.**

Quotes : "balance sheets"

Asterisk : finan*

Searcher: what can we see?

The screenshot shows the search results page for the query "econom* oil \"united states\" energy". The interface includes a navigation bar with options like LIBRARY SEARCH, JOURNALS, DATABASES, CITATION LINKER, BROWSE SEARCH, and PURCHASE REQUEST. A search box contains the query, and a dropdown menu is open, showing options like "Everything", "Reading lists", "CCUC/PUC", and "Ebsco databases".

Annotations on the screenshot include:

- Results of the search**: A box highlighting the search results area.
- Specify where you want to search**: A box highlighting the dropdown menu.
- Facets to narrow your results**: A box highlighting the "Subject" facet, which lists categories like "Petroleum Industry (75,266)", "Science & Technology (56,029)", "Life Sciences & Biomedicine (32,842)", "Energy Industry (25,930)", "Social Sciences (24,647)", and "Technology (23,970)".
- Concerning the digital documents, it only shows digital docs with access to full text**: A box highlighting the "Available Online" link for the first three results.

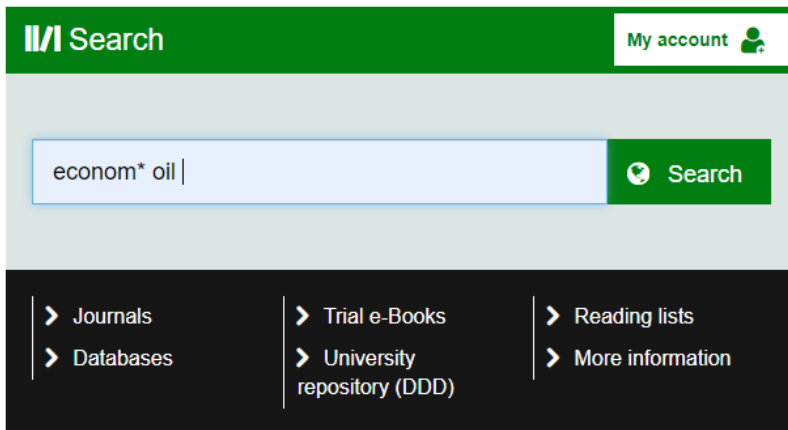

The search results list three items:

- 1** **BOOK**
Hydrocarbon Potential in Southeastern United States A Review / by Robert J. Brewer
Brewer, Robert J. author.
2019
[Available Online >](#)
- 2** **BOOK**
Energy, bio fuels and development : comparing Brazil and the United States / edited by Edmund Amann, Werner Baer and Donald V. Coes.
Amann, Edmund.; Baer, Werner, 1931-; Coes, Donald V., 1943-
2011
[Available Online >](#)
- 3** **BOOK**
Chinese energy futures and their implications for the United States George Eberling.
Eberling, George.
c2011
[Available Online >](#)

it gathers the versions of a document altogether

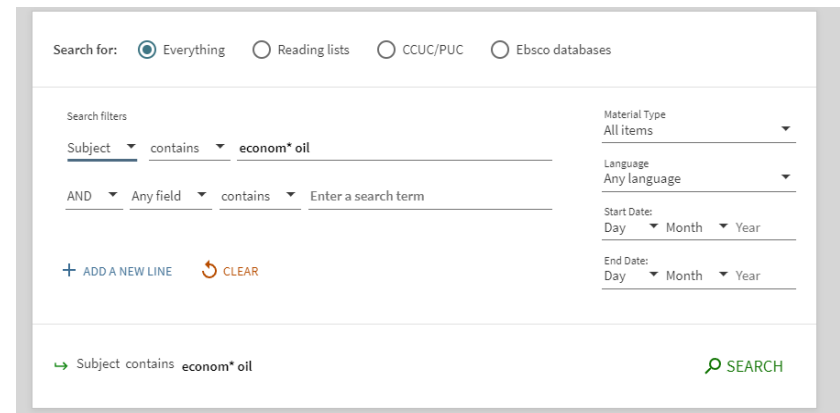

Simple/Advanced search

Simple

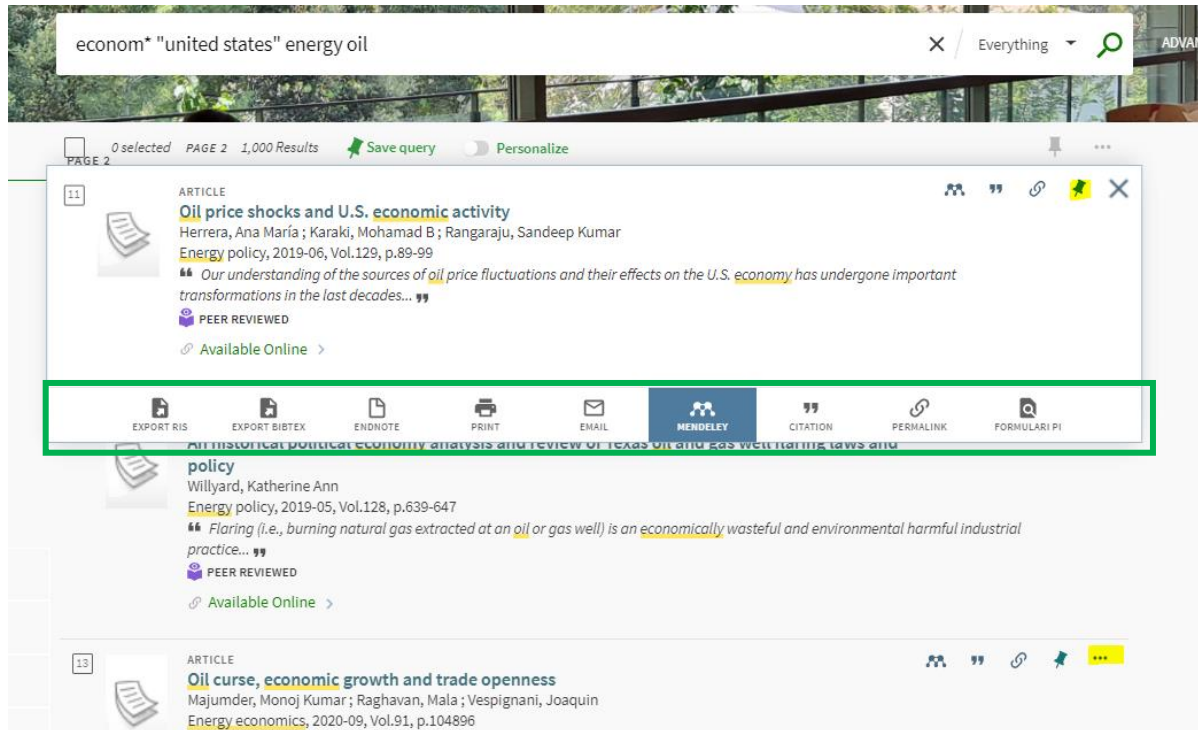

The simple search interface features a green header with the text "Search" and a "My account" link with a user icon. Below the header is a search bar containing the text "econom* oil" and a green "Search" button. At the bottom, there is a dark navigation bar with six menu items: Journals, Databases, Trial e-Books, University repository (DDD), Reading lists, and More information.

Advanced

The advanced search interface includes a "Search for:" section with radio buttons for "Everything" (selected), "Reading lists", "CCUC/PUC", and "Ebsco databases". Below this is a "Search filters" section with a dropdown menu set to "Subject" and a "contains" operator, followed by the search term "econom* oil". There is also an "AND" section with a dropdown set to "Any field" and a "contains" operator, followed by a placeholder "Enter a search term". On the right side, there are three filter sections: "Material Type" set to "All items", "Language" set to "Any language", and "Start Date" and "End Date" sections, each with dropdowns for "Day", "Month", and "Year". At the bottom, there is a "SEARCH" button and a summary line that reads "Subject contains econom* oil".

Actions with the results

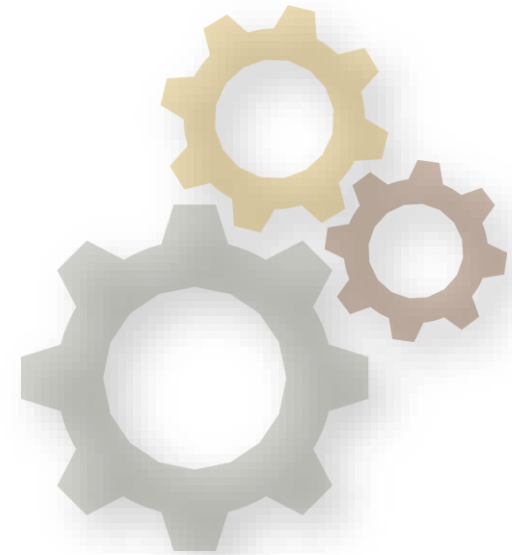

The screenshot shows a search results page for the query "econom* "united states" energy oil". The search bar at the top contains the query and a search icon. Below the search bar, the page indicates "0 selected PAGE 2 1,000 Results" and offers options to "Save query" and "Personalize".

The first result is an article titled "Oil price shocks and U.S. economic activity" by Herrera, Ana María; Karaki, Mohamad B; Rangaraju, Sandeep Kumar. The article is from "Energy policy, 2019-06, Vol.129, p.89-99". The abstract states: "Our understanding of the sources of oil price fluctuations and their effects on the U.S. economy has undergone important transformations in the last decades...". The article is marked as "PEER REVIEWED" and has an "Available Online" link.

A green box highlights a toolbar with the following options: EXPORT RIS, EXPORT BIBTEX, ENDNOTE, PRINT, EMAIL, MENDELEY, CITATION, PERMALINK, and FORMULARI PI.

The second result is an article titled "policy" by Willyard, Katherine Ann. The article is from "Energy policy, 2019-05, Vol.128, p.639-647". The abstract states: "Flaring (i.e., burning natural gas extracted at an oil or gas well) is an economically wasteful and environmental harmful industrial practice...". The article is marked as "PEER REVIEWED" and has an "Available Online" link.

The third result is an article titled "Oil curse, economic growth and trade openness" by Majumder, Monoj Kumar; Raghavan, Mala; Vespignani, Joaquin. The article is from "Energy economics, 2020-09, Vol.91, p.104896".

To read the full text

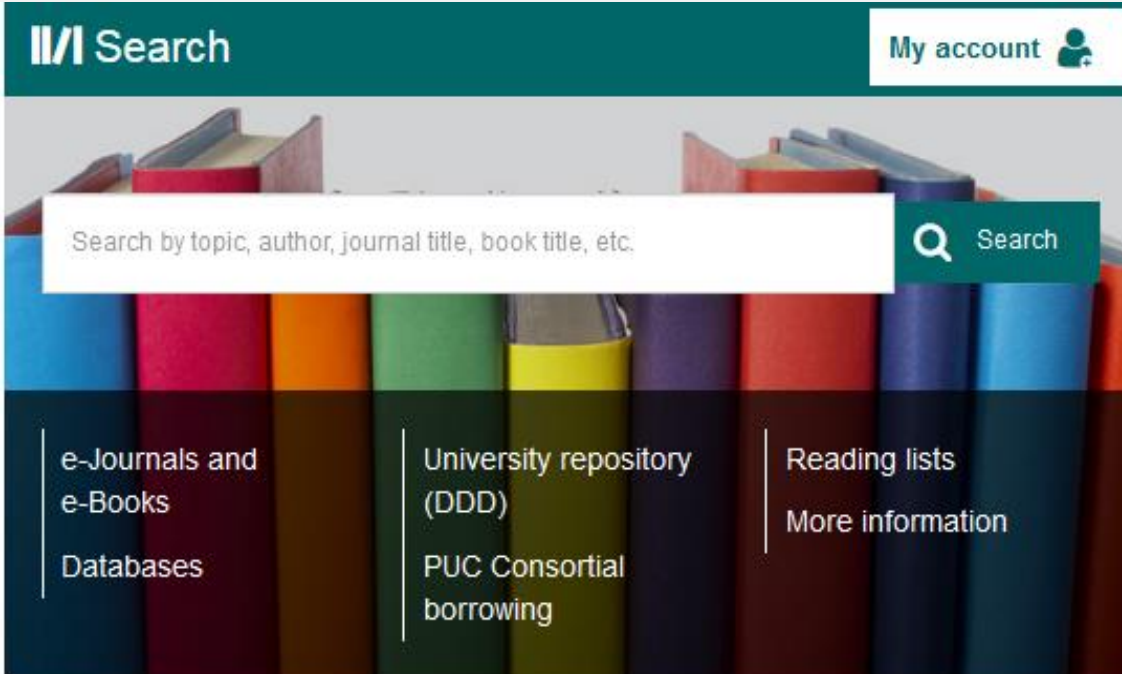

The screenshot shows an article page with several key elements and annotations:

- Article Title:** Oil price shocks and U.S. economic activity
- Authors:** Herrera, Ana María ; Karaki, Mohamad B ; Rangaraju, Sandeep Kumar
- Journal Info:** Energy policy, 2019-06, Vol.129, p.89-99
- Abstract:** *“... First, several studies have demonstrated the importance of identifying the causes of oil price fluctuations, whether they are driven by demand or supply shocks, instead of assuming that oil price...”*
- Peer Reviewed:** Indicated by a purple icon and text.
- Available Online:** A link with a right-pointing arrow.
- Navigation:** Links for TOP, SEND TO, VIEW ONLINE, and DETAILS.
- Send to options:** EXPORT RIS, EXPORT BIBTEX, ENDNOTE, PRINT, EMAIL, MENDELEY, CITATION, PERMALINK, FORMULARI PI.
- View Online:** A section with a link for Full text availability.
- Full text availability:** A table listing sources with external link icons.

Databases

Ways to Access the databases

The image shows a screenshot of a library search interface. At the top, there is a dark teal header with the text "Search" and a "My account" link with a user icon. Below the header is a search bar with the placeholder text "Search by topic, author, journal title, book title, etc." and a "Search" button with a magnifying glass icon. Below the search bar is a navigation menu with three columns of links: "e-Journals and e-Books", "Databases", "University repository (DDD)", "PUC Consortial borrowing", "Reading lists", and "More information". Two large teal arrows point from the left towards the search bar and the navigation menu.

Access through the Subject Guides

Another possibility, is to access through the Subject Guides

The image displays a collage of library website screenshots. On the left, a 'Subject guides' menu lists various disciplines: Arts and Humanities, Science and Engineering, Health Sciences, Law and Social Sciences, Communication Studies, and Veterinary Medicine. A green arrow points from the 'Economics, Business and Statistics -- Tourism and Hotel Management subject guide' link in the menu to a 'Recommended' section. This section lists several databases: ABI/INFORM, EconLit, SABI, Factiva, Leisure and Tourism, and eLibro. To the right, a 'Digital library' section includes links for E-journals Searcher, Dictionaries and Encyclopedias, Databases, and Remote Access. Below that, an 'Academic and research resources' section features a 'RECURSOS' box and links for Reading lists, How to cite, Support for Academic Work, Mendeley, Faculty of Economics and Business Studies Bachelor's degree final project, Intellectual property, and Open access.

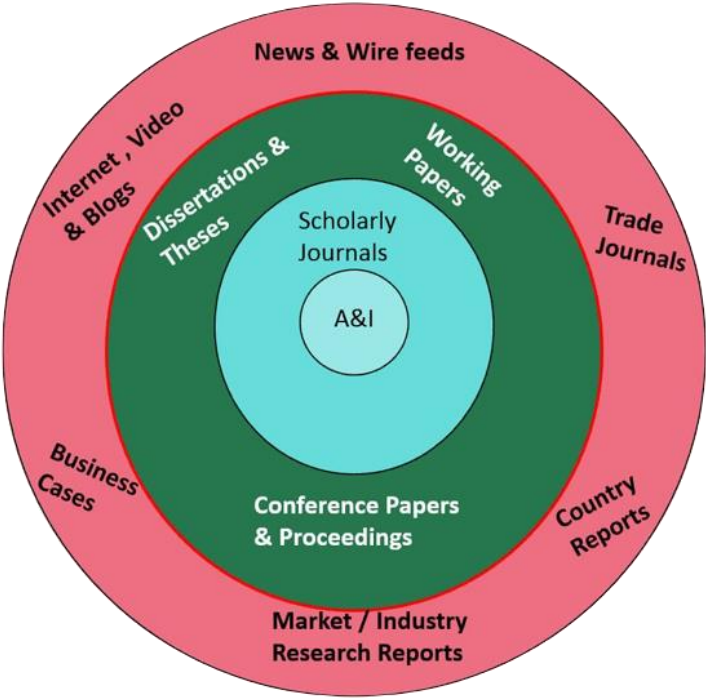

ABI/Inform

Main advantage of ABI/Inform

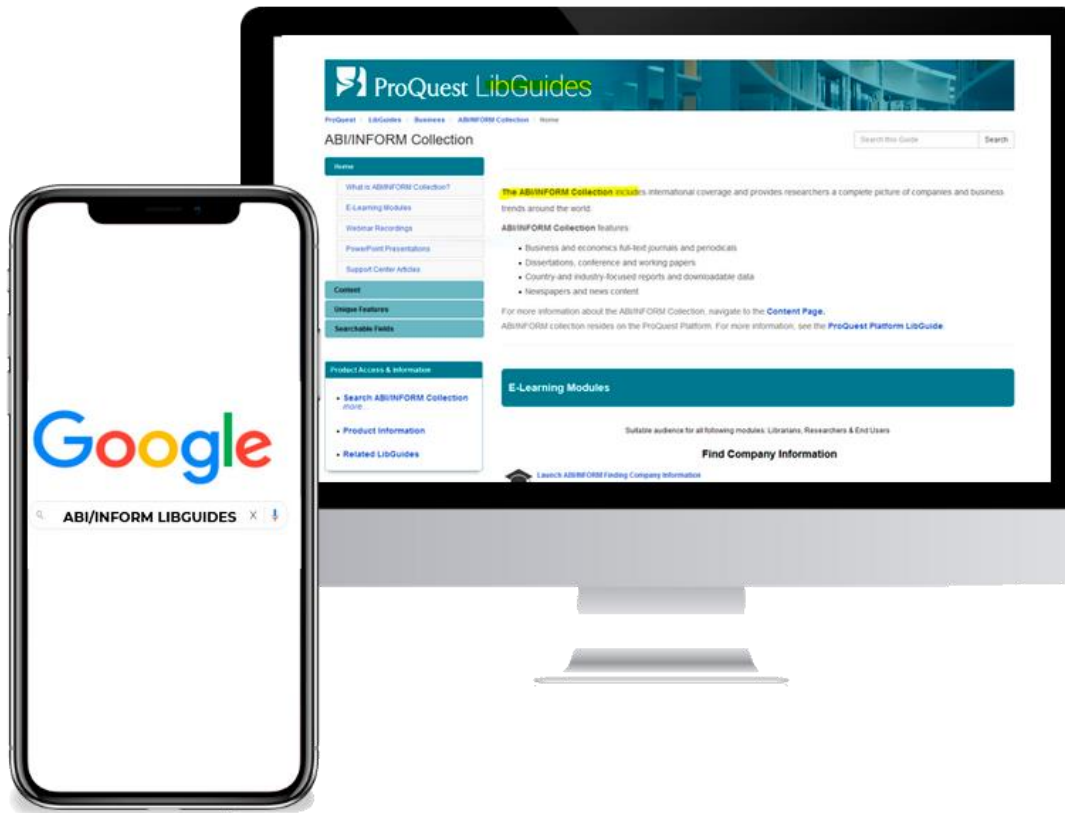

- ✓ Excellent combination of academic and non-academic economic content.

<https://www.statista.com/webinar/training-hub>

The screenshot shows the Statista website header with the logo and a welcome message for Universitat Autònoma de Barcelona. A search bar is located in the top right. Below the header is the 'REPORT SHOP' section, which includes a search bar and six report categories: Digital & Trend Reports, Industry Reports, Brands & Company Reports, Consumer Reports, Politics & Society Reports, and Country Reports. At the bottom of the Report Shop, there is a navigation bar with 'EXPLORE ALL WEBINARS >' and several category buttons: Data on Stage, Digital Economy, Partner Webinars, Training Hub (highlighted), and Recordings.

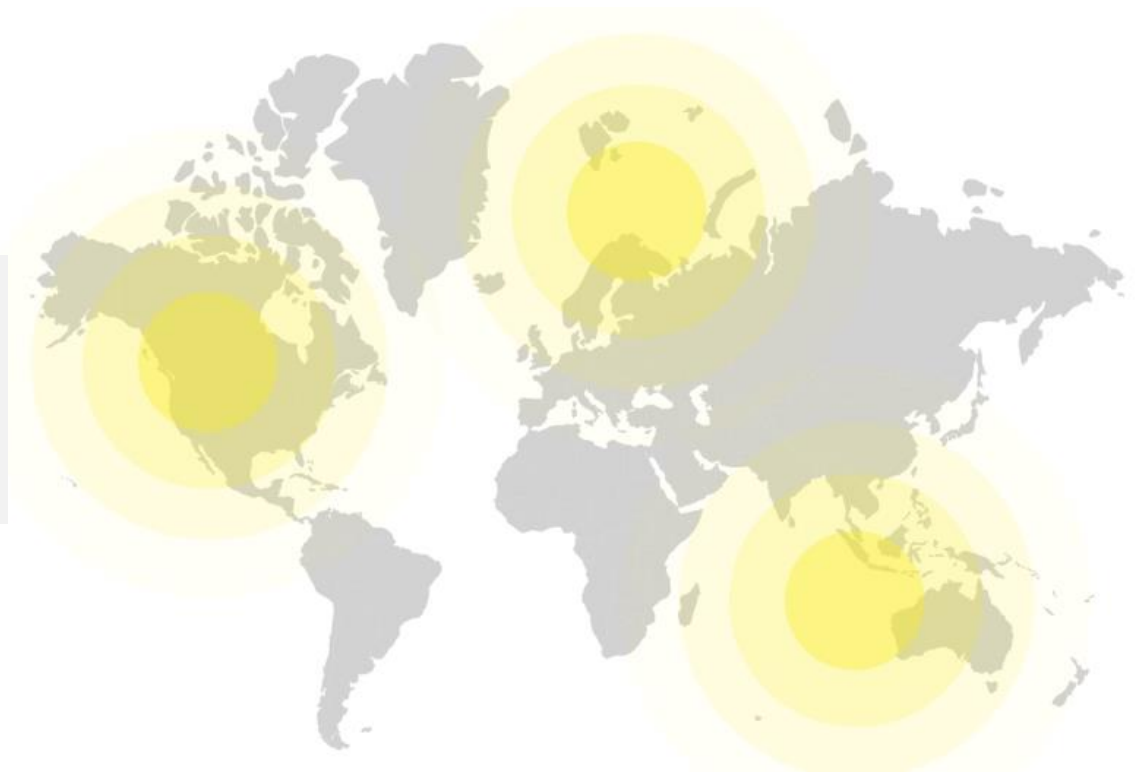

The screenshot shows the 'TRAININGS' section of the Statista website. It features the heading 'Choose the webinars that best suit your needs' and a 'TRAINING-HUB' card with the text 'Drop in - Q&A Session'.

This is a detailed view of the 'TRAINING-HUB Onboarding' webinar card. On the left, there is an illustration of a person presenting to a group. The main text reads: 'TRAINING-HUB Onboarding. Are you new to Statista? We will show you around our database and will get you prepared to conduct your research on our platform.' Below this is a link '→ See more details' and a blue button 'Join this free webinar'. On the right side, the 'DURATION' is listed as '40 minutes' and the 'LANGUAGE' is 'English'.
