## COURSE DESCRIPTION

Welcome to this course, where you are enrolled as a student

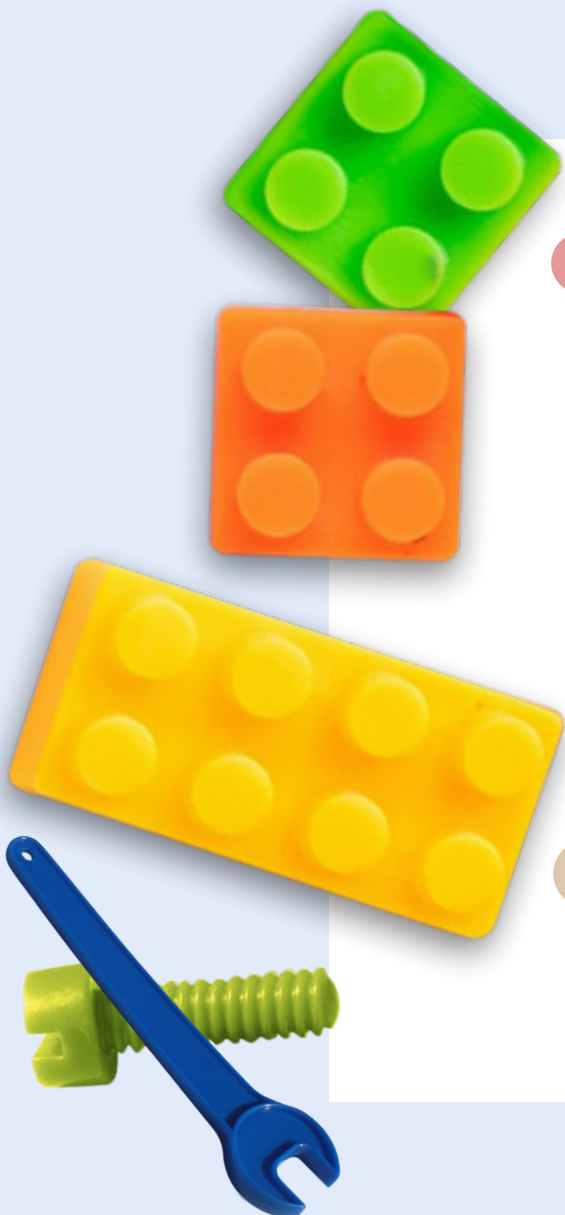

The objective of the course is to provide you with the skills and knowledge on resources that will enable you to choose, assess, and effectively use information for your academic work..

Throughout the course, you will find valuable recommendations on searching for information, accessing primary sources, using tools to organize and cite bibliographic references, advice on evaluating information quality, and resources to prevent plagiarism. Additionally, you will receive guidance on writing and effectively communicating your work.

Before you begin, we recommend viewing this presentation on how the course operates.

We hope you find this information helpful!
