THE REPRESENTATIVES IN SPAIN OF THE
ALLIED CONTROL COUNCIL FOR GERMANY

MADRID
January 15, 1948.

Sr. Don Ramón Ortiz Fornaguera,
Residencia del Consejo Superior de
Investigaciones Cientificas,
Pinar, 21,
Madrid.

Dear Sr. Ortiz:

Receipt is acknowledged of your letter of December 24, 1947, regarding your desire to publish a Spanish translation of J. von Neumann's "Mathematische Grundlagen der Quantenmechanik".

The Representatives are agreeable to the publication of a Spanish translation of this book and are quite willing to enter into a publication contract with you under a royalty basis. Therefore, it is suggested that you appear personally in our offices to consummate this matter if you so desire.

Very truly yours,

FOR THE REPRESENTATIVES:

Albert Post

Albert Post,
American Section.
